On November 17th, 2015 Detective Anna YANKOVICH #5526 obtained a State Search Warrant [REDACTED] to obtain a DNA Mouth Reference swab from Felipe VEGA.

VEGA is in custody at the San Diego County Sheriff's Department Central Jail facility located at 1173 Front Street in San Diego, California. VEGA has been charged in San Diego Superior Court with the above reference cases.

Detective Juan CISNEROS #5811 went with me to the jail facility to execute and obtain the mouth swab from VEGA. VEGA speaks only Spanish and Detective CISNEROS was there to translate and read the search warrant to him.

At approximately 1020 hours, Detective CISNEROS, SDSO Corporal B. FULLER #6005 and I entered VEGA'S cell. Prior to entering the cell I turned on my digital audio recorder to record the collection of the DNA mouth swab from VEGA. Detective CISNEROS spoke with VEGA and explained to him why we were there. Detective CISNEROS read the Search Warrant out loud to VEGA and he obtained VEGA'S cooperation.

At 1023 hours, after putting on protective latex gloves, I collected two mouth swabs from VEGA. I immediately placed the two swabs into the appropriate DNA mouth swab collection kit. I followed Department approved procedures in the collection of DNA mouth reference swabs. I sealed the mouth swabs I collected with evidence tape and later impounded it at SDPD Headquarters property room. We exited VEGA'S cell at approximately 1028 hours. I later downloaded the audio recording onto a CD and impounded it at SDPD Headquarters property room as well. I made two working copies of the CD and turned them over to Detective Jonathan DUNGAN #6137 for their case books.

After leaving the jail facility, Detective CISNEROS and I drove to Scripps Mercy Hospital to collect VEGA'S medical records.

CASE #
15-049147

Chief Shelley Zimmerman
San Diego Police Department
1401 Broadway
San Diego, CA 92101

Re: Non-fatal shooting of Mr. Felipe Vega on November 13, 2015, involving San Diego Police Officer Christopher Luth; San Diego Police Department Case No. 15-049147; DA Special Operations Case No. 15-213PS; Deputy District Attorney assigned: Fiona Khalil

Dear Chief Zimmerman:

We have reviewed the materials compiled by your Department's Homicide Unit concerning the non-fatal officer-involved shooting of Mr. Felipe Vega. This case was presented to the District Attorney's Office for review on March 17, 2016.

Summary

On November 13, 2015, members of the Special Investigation's Unit (SIU) and Gang Suppression Team (GST) attempted to arrest Mr. Vega for committing a double homicide. GST officers attempted a traffic stop on Vega but Vega refused to stop, leading officers on a pursuit. The pursuit ended when Vega pulled into an apartment complex parking lot. Vega refused to exit his car and a standoff ensued for over two hours. Officers blocked Vega's vehicle, called for SWAT officers and the Emergency Negotiation Team, who attempted to convince Vega to surrender peacefully. Vega refused to surrender to negotiators. SWAT officers approached Vega's vehicle. As they approached the vehicle, Vega got out of the car. Officers told Vega to put his hands up but Vega reached for his waistband and then quickly reached back inside the car. Officer Luth fired one round through the closed passenger window. Vega was transported to Scripps Mercy Hospital and survived his injuries.

Persons Involved

At the time of this incident Mr. Vega was 39 years-old and [REDACTED] Officer Luth was assigned to GST and was a member of the SWAT Team. Officer Luth had been a police officer for 11 years.

Background

On November 8, 2015, Mr. Vega shot and killed two people. SDPD Homicide Team IV investigated the murders and identified Vega as the suspect. An arrest warrant was issued for Vega charging him with the murders on November 12, 2015. Officers throughout San Diego County began searching for him. On November 12, 2015, SDPD detectives located Vega's

unoccupied car in San Diego. Uniformed officers in marked patrol cars attempted to stop Vega before he could drive away but Vega failed to comply, leading them on a pursuit.

Officer-Involved Shooting

Mr. Vega drove through residential streets and on several freeways. During the pursuit Vega threw a .380 caliber handgun from his car which was subsequently recovered by officers. Vega stopped his car in an apartment complex parking lot, but refused to comply with officers and remained inside his car. Officers evacuated the apartment complex and [REDACTED]

[REDACTED] Emergency negotiators responded to the scene and tried to convince Vega to surrender. Vega eventually stopped talking to negotiators. After spending over two hours trying to get Vega to surrender peacefully, [REDACTED]

[REDACTED] Vega got out of the car as the officers approached and reached towards his waistband with both hands. Vega quickly removed his hands and reached back inside his car through the driver's side open door. Officer Luth fired one shot through the closed passenger window and which perforated Vega's chest, without entering the chest cavity. Vega fought with a K-9 and officers as they attempted to take him into custody. He was treated at the scene and transported to Scripps Mercy Hospital.

Statement of Officer Luth

Officer Luth told investigators he responded to assist detectives who found Mr. Vega's unoccupied car. As Officer Luth and his partner arrived in the area Vega was driving off and other units tried to stop him. Luth and his partner joined the pursuit when Vega failed to stop. Luth remained in the pursuit until Vega stopped at the apartment complex. Luth took a position of cover and transitioned from his firearm to his rifle because of Vega's propensity for violence, the belief Vega was armed and the distance Luth was from Vega.

An arrest team was sent to approach Mr. Vega in the car. Vega got out of the car and faced officers. Officer Luth described Vega bringing both hands towards his mid-section, towards the hoodie pocket, and lifting both hands up to the point where his sweatshirt rose up. Luth saw Vega lean forward into the driver's seat of the vehicle where he had just been. Luth believed Vega was attempting to gain access to a weapon he had in the vehicle or on his person and he was going to injure officers. Luth fired one round from his rifle through the right front passenger window. Luth stated he was trying to save officers and himself from being hurt or killed.

Officer Luth was wearing a body worn camera. He activated the camera when he transitioned from his pistol to his rifle but turned it off prior to the shooting. He explained he turned off his camera when tactical information would have been disclosed.

Law Enforcement Witnesses

Four officers were interviewed as part of the investigation and an additional forty-six officers provided detectives with a written statement. The officers who were in a position to see Mr. Vega's actions at the time of the shooting gave statements that were consistent with

Officer Luth's statement. They described seeing Vega reaching around his waist as if he were about to arm himself with a gun. An additional seven officers describe seeing Vega reaching towards his waistband as the arrest team approached him.

Investigation

The scene was secured and the investigation into the shooting was conducted by the San Diego Police Department's Homicide Team IV. The investigation revealed Officer Luth fired one shot at Mr. Vega from a distance of approximately 51 feet. The round exited Vega's chest and lodged in his left arm. Vega was also bitten by a K-9 on the right wrist when he continued to resist. Crime scene investigators recovered one expended .223 caliber shell casing that was identified as having been fired from Luth's rifle.

Ninety-six body worn camera videos were downloaded from forty-two officers. Each of the videos was viewed as part of this investigation. Recordings from at least six officers captured audio of officers giving commands of "hands up," "let's see your hands," and "he has something in his hands." On several of the recordings multiple pepper ball rounds being fired can be heard as well as the sound of a single gunshot.

Criminal Charges

After being treated for his injuries Mr. Vega was booked into the San Diego County Jail and ultimately pled guilty to two counts of first degree murder and gun use allegations. Vega was sentenced to life in prison without the possibility of parole.

Legal Analysis

This review was conducted pursuant to the joint protocol between this Office and all San Diego County law enforcement agencies calling upon the District Attorney to conduct an independent assessment of the circumstances surrounding the use of deadly force. The review does not examine such issues as compliance with the policies and procedures of any law enforcement agency, ways to improve training or tactics, or any issues related to civil liability. Accordingly, such a review should not be interpreted as expressing an opinion on these matters.

Under California law, peace officers may use deadly force to protect themselves from the threat of death or great bodily harm and to use reasonable force in making an arrest. California Penal Code section 835a allows an officer to use reasonable force to make an arrest and to overcome resistance by a person for whom he had reasonable cause to believe has committed a public offense. That section states the officer need not retreat or desist on his effort to affect an arrest because of that person's resistance.

In accordance with Penal Code section 196, peace officers may use deadly force in the course of their duties under circumstances not available to members of the general public. We are mindful; however, that certain limits on the use of deadly force apply to peace officers. The U.S. Ninth Circuit Court of Appeals, in the case of *Scott v. Henrich* (9th Cir. 1994) 39 F.3d 912, delineated those circumstances under which deadly force may be used: "[P]olice may use only such force as is objectively reasonable under the circumstances. An officer's use of deadly force

is reasonable only if 'the officer has probable cause to believe that the suspect poses a significant threat of death or serious injury to the officer or others.' All determinations of unreasonable force 'must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation.'" [Citations omitted.]

Conclusion

In this case, Officer Luth was present during the entire incident. He was aware Mr. Vega was wanted for two homicides. He witnessed officers attempting to use spike strips to end the pursuit, deploy pepper ball rounds, utilize negotiators from the Emergency Negotiation Team and deploy a police dog in an effort to use less-lethal force to arrest Vega. None of the less-lethal force options were effective and Vega remained uncooperative even after several hours. When all other options failed, an arrest team moved forward to take Vega into custody. Luth was responsible for providing cover for the arrest team. As the arrest team moved forward, Vega got out of his car, refused to put his hands in the air but instead reached towards his waistband and then back inside the car. Luth fired one round hoping to prevent Vega from grabbing a weapon and injuring arresting officers.

Officer Luth based his decision to fire on his belief Mr. Vega was reaching for a weapon to injure the arresting officers. Luth reasonably believed Vega posed a threat to the arresting officers, based on the information he was given about the murders and Vega's behavior during the pursuit and standoff which lasted more than two hours. Therefore, his use of deadly force in this case was reasonable under the circumstances and he bears no criminal liability for his actions. A copy of this letter, along with the materials submitted for our review will be retained in our files.

Sincerely,

BONNIE M. DUMANIS

ON 11-12-15 at about 2122 hours, I heard a pursuit involving our Gang Suppression team (GST) and a murder suspect (Vega Felipe). One of the GST officers positively identified the suspect as Vega. I caught up to the pursuit and followed behind them.

The Pursuit stopped at [REDACTED] Van DYKE AVE. Vega stayed in his vehicle. Units set up to conduct a hot stop. I deployed my Police Service Dog (PSD) turbo. I was unable to release my PSD because Vega had the drivers door open only a couple inches. Also my PSD did not see Vega. I began yelling commands to Vega. He did not comply. I made several K-9 warnings (San Diego Police, You in the vehicle come out with your hands up or I'll send my Police Dog and you will get bit). Again he did not comply. We changed our tactics to a barricaded suspect. I had my PSD deployed and ready. For about 30-40 minutes before I was relieved by another K-9 handler and K-9.

The Standoff went on for a few hours. I was rotated in and out as the K-9 handler. Units moved up and broke the rear passenger window and deployed Pepperballs. Sgt Gini Deployed his PSD through the broken window. At some point the suspects were shot. We moved in to take custody of Vega. With the PSD biting him, Vega began to fight the PSD and officers. We were able to gain control of Vega.

I was able to get his hand behind his back and another officer handcuffed him. We got his left hand behind his back and handcuffed it. Vega was finally in custody. I had no other interaction with Vega.

I ORIGINALLY RESPONDED TO [REDACTED] VAN DYKE AV TO SECURE THE NORTH PERIMETER. THE NORTH PERIMETER WAS THE COURTYARD OF [REDACTED] VAN DYKE. I COORDINATED AN ARREST TEAM COMPRISED OF OFFICERS HOWARD #4195, HAMILTON #7339, CHAMBERS #7021 AND IRWIN #6381. WE HAD SEVERAL CONTINGENCY PLANS IN PLACE IN CASE THE SUSPECT CAME OUR WAY. AS THE INCIDENT PROLONGED, OTHER OFFICERS CAME TO ASSIST IN EVACUATING THE WHOLE APARTMENT COMPLEX.

AFTER THAT TEAM WAS SET, I TRANSITIONED INTO THE 3RD WATCH P.R.T. LEADER ROLE. LT WEEDEN #5563 WAS THE INCIDENT COMMANDER. HE ASKED ME TO PUT A PLAN TOGETHER TO DELIVER A CELL PHONE TO THE SUSPECT. THAT PLAN WAS ULTIMATELY PUT DOWN BECAUSE THE SUSPECT WAS NOT COOPERATING.

THE SUSPECT REMAINED IN THE CAR. THE NEXT PLAN WAS TO BREAK OUT THE REMAINING GLASS WITH A POLE SO K-9 COULD DEPLOY A DOG. WE MOVED FORWARD TO EXECUTE THAT PLAN. AS THE OFFICER WAS REMOVING THE GLASS, THE SUSPECT STARTED GETTING OUT OF THE CAR. I PULLED MY TEAM BACK BEHIND COVER. AS I DID SO, I HEARD A GUN SHOT. REAR OF THE SUV AND POINTED MY FIREARM AT VELA. AFTER A PERIOD OF TIME, I TRANSITIONED TO AN AR-15 AND TOOK A PERIMETER POSITION IN THE FRONT OF THE SUV AND POINTED IT AT VELA. OFFICERS ATTEMPTED NUMEROUS TIMES TO NEGOTIATE WITH VELA TO EXIT HIS VEHICLE AND SURRENDER BUT HE REFUSED. THE PEPPER BALL GUN WAS USED ON VELA AND HE STILL DID NOT COMPLY. AS OFFICERS APPROACHED, VELA EXITED HIS VEHICLE AND STOOD NEAR THE DRIVER DOOR WHICH WAS OPENED. VELA NOTICED THE OFFICERS APPROACHING HIM AND IMMEDIATELY WENT BACK INTO THE DRIVER'S SEAT. VELA DROVE FORWARD BACK INTO THE DRIVER'S SEAT WITH HIS ARMS OUT AND APPEARED TO BE REACHING FOR SOMETHING. AS VELA MOVED TO GET BACK IN THE DRIVER'S SIDE I HEARD ONE GUNSHOT AND THE FRONT PASSENGER WINDOW OF VELA'S VEHICLE SHATTERED. VELA WAS MOTIONLESS IN THE FRONT SEAT OF HIS VEHICLE. OFFICERS ATTEMPTED TO MAKE CONTACT WITH HIM AND A STRUGGLE ENSUED. THE K-9 WAS DEPLOYED AND VELA BEGAN FIGHTING WITH THE K-9 AS OFFICERS GAVE HIM COMMANDS TO GET ON THE GROUND. Incident #15110020346
Officer: LUTH, Christopher, ID #6048
Suspect: VEGA, Felipe DeJesus, H/M (39) DOB: 02-05-76

Synopsis

On November 8, 2015, San Diego Police Department Homicide Team Four was assigned to investigate the murder of [REDACTED] and [REDACTED]. The two were [REDACTED]. They were shot and killed at [REDACTED]. Detectives identified Felipe DeJesus VEGA as the suspect in the case.

On November 12, 2015, an arrest warrant was issued for VEGA charging him with both murders. VEGA'S whereabouts were unknown. The San Diego Police Department Special Investigations Unit (SIU) was assigned to locate and arrest VEGA.

On November 12, 2015, at approximately 2122 hours, [REDACTED] saw VEGA'S vehicle parked along the curb of 1000 S. 43rd Street. He notified other [REDACTED] detectives and directed them to respond to the area. He also notified Gang Suppression Team (GST) Officers who responded as well. Detective CASTRO #5392 saw VEGA get into the vehicle and drive off. GST officers attempted to stop the vehicle. VEGA refused to yield and a pursuit ensued. The pursuit lasted approximately 20 minutes. During the pursuit VEGA tossed a .380 caliber handgun from his vehicle which was subsequently recovered by officers.

VEGA pulled into the parking lot of an apartment complex at [REDACTED] Van Dyke Street. He refused to exit his vehicle. A standoff ensued between VEGA and officers at the scene. SWAT officers and the Emergency Negotiation Team (ENT) responded to the location. During the standoff, an armored vehicle (Bearcat) was positioned behind VEGA'S vehicle to prevent him from driving off. ENT Detectives RUBIO #4906 and HERNANDEZ #4959 began negotiating with VEGA in an effort to get him to surrender.

The standoff with VEGA lasted approximately two hours and thirty eight minutes. VEGA remained in the driver's seat of his vehicle. The vehicle was parked facing east and was parallel with 4200 Myrtle Avenue. During the operation, [REDACTED]

[REDACTED] VEGA remained defiant and refused to surrender.

At approximately 0041 hours, [REDACTED] Officer LUTH #6048 was positioned behind a marked police vehicle along 4200 Myrtle Avenue, approximately 51 feet from VEGA. As the arrest team approached, VEGA exited out the driver's side door. He initially faced towards the rear of the vehicle and then turned facing towards Officer LUTH. VEGA was repeatedly told to put his hands up. Instead, he reached deep into his waistband with both hands. He removed his hands and began to reach back inside the open driver's side door. fired one round from his AR-15 rifle. The round went through the closed front passenger window and struck VEGA in the chest. A police canine was released. VEGA struggled and fought with the dog. Officers were then able to move in and take VEGA into custody. VEGA was treated at the scene for his injuries and transported by paramedics to Scripps Mercy Hospital. His injuries were not life threatening.

On November 16, 2015, VEGA was released from the hospital and booked into County Jail.

Responding Sergeant's Report

On November 13, 2015, at 0027 I received a phone call, at home, from Lieutenant HASTINGS #5170 notifying me of an officer involved shooting at [REDACTED] Van Dyke Street. I called Detectives YANKOVICH #5526, REIF #5095, JONES #5214 and DECESARI #6026 and directed them to respond to the scene. Crime Scene Specialist (CSS) SUTHERLAND #8841 and Criminalist CORNACCHIA #8815 were notified and responded as well.

I arrived at the scene at 0113 hours and parked along the south curb of 4100 Myrtle Avenue. [REDACTED] Van Dyke Street is located at the southwest corner of Van Dyke Street and Myrtle Avenue. The shooting had occurred in the driveway behind [REDACTED] Van Dyke Street. The driveway can only be accessed from Myrtle Avenue. Uniformed patrol officers and marked police cars were positioned at Myrtle Avenue and Van Dyke Street blocking all unauthorized access westbound on Myrtle Avenue. Uniformed patrol officers and marked police cars were positioned at Myrtle Avenue and 42nd Street blocking all unauthorized access eastbound on Myrtle Avenue.

At 0145 hours, a briefing on the incident was conducted by Sergeants SWADENER #5753, BUTCHART #5153 and PITUCCI #4304.

Sergeant SWADENER said at 2122 hours, San Diego Police Communications was advised that a pursuit had been initiated with a 187 PC suspect at 1000 S. 43rd Street. The primary unit was GS33, Officers LUJAN #5594 and EULER #6242.

Sergeant SWADENER said at 2120 hours Gang Suppression Team (GST) officers received information from [REDACTED] that he had located a vehicle being driven by Felipe VEGA. VEGA was wanted for a double homicide. [REDACTED] advised [REDACTED] detectives and uniformed GST officers who all responded to the area. GST officers were directed to conduct a vehicle stop on VEGA.

Sergeant SWADENER said Detective CASTRO #5392 advised the suspect vehicle was occupied and moving. Officers LUJAN and EULER moved in to conduct the traffic stop. They waited for a 2nd patrol car to get behind them and for the Airborne Law Enforcement (ABLE) helicopter to get overhead. They then activated their lights and siren. VEGA refused to yield and a pursuit ensued.

Sergeant SWADENER said VEGA drove past him, removed a hooded sweatshirt from over his head, and looked directly at him. Sergeant SWADENER said he recognized VEGA from the photograph on the wanted flier.

Sergeant SWADENER said the pursuit continued for several miles until VEGA pulled into a carport at [REDACTED] Van Dyke Street. VEGA partially got out of the vehicle as officers were giving him verbal commands but then ignored the commands and got back in the vehicle. He left the driver's side door partially open. VEGA made no attempt to communicate with the officers. Plans were then developed to remove him from the vehicle.

Sergeant BUTCHART said he was the Special Weapons and Tactics (SWAT) Primary Response Team (PRT) Leader and arrived on scene at 2140 hours. He said VEGA was being given commands to exit the vehicle but was refusing to comply.

Sergeant BUTCHART said he and Officer STEWART #6558 approached the south side of VEGA'S vehicle. Officer STEWART fired [REDACTED] However, [REDACTED] from the west side into the partially open driver's side door. The rounds had minimal affect on VEGA.

Sergeant BUTCHART said the Bearcat armored vehicle was brought to the scene by Officer JONES #6791 and parked directly behind VEGA'S vehicle, touching the rear of the vehicle. Sergeant BUTCHART said Officer TENNABAUM #6320 took a position in the turret of the Bearcat. Two Emergency Negotiations Team (ENT) detectives were placed in the rear of the Bearcat in an effort to communicate with VEGA. Sergeant BUTCHART said it appeared as though VEGA could hear the negotiators but they could not hear him. The negotiators moved their position in a better attempt to negotiate with VEGA. The ENT van was brought to the scene.

Sergeant BUTCHART said an attempt was made to get a cell phone to VEGA to aid communication. He said VEGA was instructed to lower a window so the phone could be tossed into the vehicle. VEGA would only partially lower the window and the phone could not be safely delivered. [REDACTED] They had minimal affect on VEGA.

Sergeant BUTCHART said a tactical team was assembled consisting of Sergeant LOWE #5568, Officer TIEN #6128, Officer ALBERTS #4835, Officer LANE #5977, Officer JOHNSON #6080 and Officer STEWART #6558. [REDACTED]

[REDACTED] VEGA opened the vehicle door to help ventilate but refused to come out. [REDACTED] They had little effect. Sergeant SWADENER noted that VEGA was covered with a hooded sweatshirt.

BRIEFING:

At 0145 hours, a briefing on the incident was conducted by Sergeants SWADENER #5753, BUTCHART #5153 and PITUCCI #4304. The briefing was digitally recorded and later downloaded onto a CD-R and impounded at SDPD Headquarters. Refer to the recording for all those present at the briefing.

Sergeant SWADENER said at 2122 hours, San Diego Police Communications was advised that a pursuit had been initiated with a 187 PC suspect at 1000 S. 43rd Street. The primary unit was GS33, Officers LUJAN #5594 and EULER #6242.

Sergeant SWADENER said at 2120 hours Gang Suppression Team (GST) officers received information from [REDACTED] that he had located a vehicle being driven by Felipe VEGA. VEGA was wanted for a double homicide. [REDACTED] advised [REDACTED] detectives and uniformed GST officers who all responded to the area. GST officers were directed to conduct a vehicle stop on VEGA.

Sergeant SWADENER said Detective CASTRO #5392 advised the suspect vehicle was occupied and moving. Officers LUJAN and EULER moved in to conduct the traffic stop. They waited for a 2nd patrol car to get behind them and for the Airborne Law Enforcement (ABLE) helicopter to get overhead. They then activated their lights and siren. VEGA refused to yield and a pursuit ensued.

Sergeant SWADENER said VEGA drove past him, removed a hooded sweatshirt from over his head, and looked directly at him. Sergeant SWADENER said he recognized VEGA from the photograph on the wanted flier.

Sergeant SWADENER said the pursuit continued for several miles until VEGA pulled into a carport at [REDACTED] Van Dyke Street. VEGA partially got out of the vehicle as officers were giving him verbal commands but then ignored the commands and got back in the vehicle. He left the driver's side door partially open. VEGA made no attempt to communicate with the officers. Plans were then developed to remove him from the vehicle.

Sergeant BUTCHART said he was the Special Weapons and Tactics (SWAT) Primary Response Team (PRT) Leader and arrived on scene at 2140 hours. He said VEGA was being given commands to exit the vehicle but was refusing to comply.

Sergeant BUTCHART said he and Officer STEWART #6558 [REDACTED]

[REDACTED]

Sergeant BUTCHART said the Bearcat armored vehicle was brought to the scene by Officer JONES #6791 and parked directly behind VEGA'S vehicle, touching the rear of the vehicle. Sergeant BUTCHART said Officer TENNABAUM #6320 took a position in the turret of the Bearcat. Two Emergency Negotiations Team (ENT) detectives were placed in the rear of the Bearcat in an effort to communicate with VEGA. Sergeant BUTCHART said it appeared as though VEGA could hear the negotiators but they could not hear him. The negotiators moved their position in a better attempt to negotiate with VEGA. The ENT van was brought to the scene.

Case #15-049147

Page 3

Sergeant BUTCHART said an attempt was made to get a cell phone to VEGA to aid communication. He said VEGA was instructed to lower a window so the phone could be tossed into the vehicle. VEGA would only partially lower the window and the phone could not be safely delivered. Additionally, flash bang devices were deployed by Sergeant DAVIS #5625. They had minimal affect on VEGA.

Sergeant BUTCHART said a tactical team was assembled consisting of Sergeant LOWE #5568, Officer TIEN #6128, Officer ALBERTS #4835, Officer LANE #5977, Officer JOHNSON #6080 and Officer STEWART #6558. [REDACTED]

[REDACTED] VEGA opened the vehicle door to help ventilate but refused to come out. [REDACTED]

[REDACTED] They had little effect. Sergeant SWADENER noted that VEGA was covered with a hooded sweatshirt.

Sergeant SWADENER said a plan was developed to deploy a police service dog (PSD) directly into the vehicle. When that was carried out, VEGA got out of the vehicle and began fighting with arresting officers. Sergeant SWADENER said Officer LUTH fired one round. VEGA fell back into the car and stopped moving. An arrest team moved up. VEGA began fighting with arresting officers. They were able to subdue him and take him into custody. Officers immediately rendered aid to VEGA and called in paramedics.

Sergeant SWADENER said San Diego Fire Department (SDFD) Engine 17 and Medic 47 responded. Medic Unit 47, Medics MENDEL #P10539 and FLAHEVE #I20699, arrived at 0023 hours. They transported VEGA to Scripps Mercy Hospital. Officer EYSIE #6963 rode in the ambulance with VEGA.

Sergeant SWADENER said VEGA sustained a gunshot wound to the chest that entered from the side. The wound was not life threatening. VEGA made no statements.

Sergeant SWADENER said Officer LUTH was removed from scene and taken to SDPD Headquarters. He said Officers WILLIAMS #6261 and SIGNORINO were standing next to Officer LUTH when he fired. Both officers were also standing by at SDPD Headquarters.

Sergeant SWADENER said all the apartments at [REDACTED] Van Dyke Street had been evacuated.

Sergeant SWADENER fully identified the suspect as, Felipe VEGA with a birth date of 02/05/76. VEGA was described as a Hispanic male, 6'01" tall, 165 pounds, wearing a dark hooded sweatshirt and jeans. Sergeant SWADENER described VEGA'S vehicle as a green Oldsmobile Cutlass bearing a license plate of [REDACTED]

Sergeant SWADENER said no vehicles had been moved from the scene and an officer was standing by with an expended shell casing fired from LUTH'S rifle.

Sergeant PITUCCI said he located the suspect's vehicle, unoccupied, at 1000 S. 43rd Street. He set up on it and notified GST officers and SIU detectives, directing them to respond to the scene. He said Detective

CASTRO advised over the radio that someone was getting in the vehicle and the vehicle was driving away.

Sergeant SWADENER added that during the pursuit, a handgun was thrown out of the suspect vehicle on the off ramp from the southbound 805 freeway to the 43rd Street off ramp. Officer KETCHUM #5955 recovered the gun. It was .380 caliber hand gun. The gun was impounded by Officer STEWART.

The briefing ended at 0217 hours.

INVESTIGATION:

Crime Scene Viewing:

The crime scene was located in the rear parking lot/carport area for [REDACTED] Van Dyke Avenue in the City of San Diego. The vehicle entrance to the lot is off of 4200 Myrtle Avenue. The area is patrolled by Mid-City Division and is designated as beat 834.

At 0229 hours, CSS SOUTHERLAND began to take overall photos of the scene and we then began processing the area for evidence. CSS SOUTHERLAND and I identified potential items of evidence.

At 0409 hours, a walk through was conducted with Officer LUTH. Present during the walk through was Officer LUTH, his POA Attorney Bob KRAUSE, Captain NISLEIT, Lieutenant HASTINGS, Lieutenant WHITE, Detective Sergeant FLOOD, Sergeant DAVIS, Sergeant LOWE, Detective HERNANDEZ, SDPD Chaplin PRICE, Officer PARGA, CSS SOUTHERLAND, Criminalist CORNACCHIA, and myself. Officer LUTH described where he was standing during the shooting. The walk through ended at 0414 hours. The walk through was digitally recorded and later transferred onto a CD-R and impounded at SDPD Headquarters.

Evidence Collection:

At 0458 hours, CSS SOUTHERNLAND began collecting the items of evidence. During the course of the investigation, as evidence was located, each item was assigned a placard number. Overall photographs were taken in an effort to show the relationship of each item of evidence to other items of evidence. Prior to the evidence being collected; when appropriate, close-up photographs were taken with the numbered placards in place. Measurements were obtained using a roll-a-tap measuring device prior to collection, however all measurements are approximations (see attached table for measurements).

Placard number one was a shell casing located in the street of 4200 Myrtle Avenue between SDPD car #6919 and a black Ford Mustang with "[REDACTED]" paper plates.

EVIDENCE EXAMINED:

One Daniel Defense, model M4 Carbine, semiautomatic rifle, serial ██████████ chambered in 5.56mm (223 Remington) caliber with one inserted magazine and top rail mounted flashlight and red dot sight (from Officer Luth)

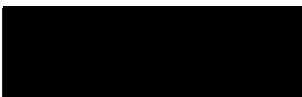

RESULTS AND CONCLUSIONS:

The Daniel Defense rifle was received with the bolt closed, the hammer cocked, the manual safety on, and a cartridge in the chamber. ██████████ The capacity of the magazine is ██████████. The total capacity of the firearm with an empty chamber and a full inserted magazine is ██████████. If the magazine was fully loaded at the time of the shooting, this evidence would indicate that eight cartridges had been fired from the firearm. If the magazine was not fully loaded, a fewer number of fired cartridges would be indicated.

The firearm was testfired and found to operate normally. The cartridges in the chamber and magazine were consistent with Department ammunition. Details of all examinations are on file in the laboratory.

DISPOSITION OF EVIDENCE:

The rifle and magazine were released to the Crime Scene Unit Gun Locker. The Firearms Processing Packet for the rifle was entered into the evidence barcode system (Barcode 10554329) and taken to the Property Room.

FORENSIC BIOLOGY UNIT LABORATORY REPORT

VICTIM: LUTH, Christopher
SUSPECT: VEGA, Felipe
CHARGE: O.I.S. / Special Investigation
CASE #: 15-049147
INCIDENT#: 15110020346
HOMICIDE TEAM II: Detective A. Yankovich / Sergeant G. Flood
DATE OF INCIDENT: November 13, 2015
CRIME SCENE SPECIALIST: Ally Southerland
CRIMINALIST: David Cornacchia
DATE OF REPORT: December 15, 2015

BACKGROUND

On November 13, 2015 at 0038 hours I was notified by Criminalist Adam Dutra of an officer-involved shooting located at 3500 Van Dyke. I arrived at the scene at approximately 0107 hours. The following is a synopsis of information provided at the scene from the briefing and the officer walk-through:

- Suspect Felipe Vega failed to stop the car he was driving for officers who wanted to question him in relation to a homicide investigation.
- He eventually pulled into a parking lot located at [REDACTED] Van Dyke where he was blocked in by a SDPD SWAT vehicle. He remained in his car despite repeated requests to get out.

- [REDACTED]
- The suspect briefly got out of his car after a dog was placed in the vehicle, but after a brief struggle with officers, he attempted to reach back into the driver's seat area. In response, Officer Chris Luth, ID #6048 stated he rested his AR-15 on the roof of SDPD Vehicle #6919 and fired one round at the suspect.
 - The suspect was transported to the hospital where he was treated for a perforating bullet wound to the upper chest and dog bites.

SCENE DESCRIPTION

Refer to Figure 1 for visual clarification of the following:

The scene was in a small parking area associated with a multi-unit residential building located on the northwest corner of Van Dyke Avenue and Myrtle Avenue. The lot itself was only accessible from Myrtle Avenue.

The car being driven by the suspect was a four door green Oldsmobile Cutlass (CA plate [REDACTED]) that was facing northeast in an uncovered portion of the lot. It was pinned between a parked car to the front and a SWAT vehicle to the rear.

OBSERVATIONS

The driver's side front window and passenger side rear window of the suspect's vehicle were blown out. The passenger side front window was shattered but remained in place. An apparent bullet hole was located in the bottom of the passenger side front window at the junction point with the door. The trajectory (bullet path) could not be established since no other objects were struck during flight. A large quantity of an irritant white powder was present throughout the interior of the car.

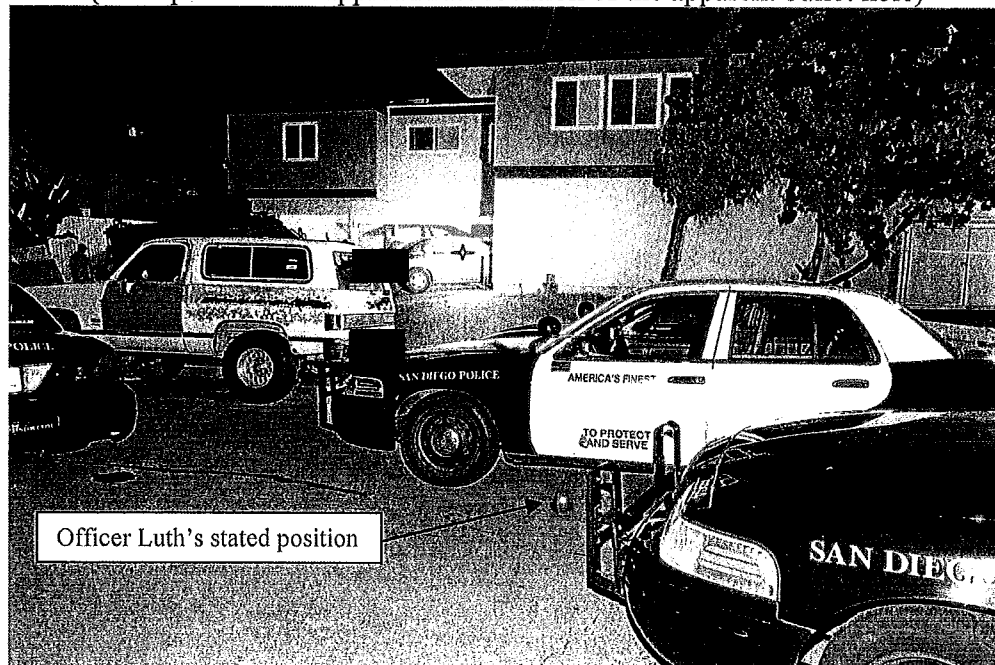

A number of items that included shoes, bloodstained clothing and debris from medical intervention were observed lying among the broken glass just outside the driver's front door.

One .223 cartridge casing was located on the north side of Myrtle Avenue between a Mustang, parked along the curb, and SDPD Vehicle #6919 that was stopped in the middle of the street to the southeast of the suspect's car.

A badly damaged bullet was located in the unoccupied stall of carport to the northwest of the suspect's car.

No bullet holes or strike marks were located within the parking lot.

SUSPECT'S INJURIES

The suspect sustained a perforating gunshot wound to his upper body which traveled across his chest without ever entering his chest cavity.

CONCLUSIONS

The physical evidence at the scene is generally consistent with the officer's statement that he rested his rifle on the hood of SDPD Vehicle ID #6919 and discharged his firearm one time in a northwesterly direction at the suspect who was positioned near the driver's front door of the Oldsmobile Cutlass.

INVESTIGATOR's FOLLOW-UP

INITIAL CALL OUT

On Thursday, November 12, 2015, at about 2222 hours, I was off duty at my home when I was notified of a call-out for the San Diego Police Department (SDPD) Emergency Negotiations Team (ENT) Team 1 by the SDPD Watch Commander's office. The notification was by mobile telephone text message. The message directed me to respond to [REDACTED] Van Dyke Street for a barricaded murder suspect.

I arrived at the scene ENT Command Post at about 2310 hours. I was briefed that the barricaded suspect is Felipe VEGA, who was actively being sought by Homicide Team 4 for a recent double murder (case #'s [REDACTED]). VEGA had been located in public by detectives with the SDPD [REDACTED] and VEGA fled the detectives. The pursuit concluded at this location, with VEGA refusing to comply with orders to surrender. VEGA was inside his vehicle and Spanish-speaking negotiators were in constant contact with VEGA trying to gain his compliance.

I was assigned to gather background information on the suspect, VEGA.

Ultimately, following an officer involved shooting and VEGA's physical resistance, VEGA was taken into custody and transported to Mercy Hospital for treatment for his wounds.

As I was also on-call for SDPD Homicide Team 2, I transitioned from my ENT assignment to my Homicide assignment.

ORIGIN:

On Saturday, November 13, 2015, at about 0021 hours, I sent a text message to Homicide Team 2 Detective Sergeant (DetSgt) Greg FLOOD #4873 advising him an officer involved shooting had occurred.

As they arrived at the scene, I met with other detectives from Homicide Team 2; DetSgt FLOOD, Detectives Anna YANKOVICH #5526 (crime scene), John REIF #5095 and Geoff DECESSARI #6026 (Homicide Relief from the Sex Crimes Unit), along with CSS Ally SOUTHERLAND #8841.

Homicide Team 4 members/Detectives Jonathan DUNGAN #6137, Kim COLLIER #5537 and Juan CISNEROS #5811 were also present. Additionally, Homicide Lieutenant Paul RORRISON #4305, Lieutenant Michael HASTINGS #5170 and Captain David NISLIET #4303 were present, along with representatives of the Chief's Office and Internal Affairs.

Briefing:

At about 0145 hours, Sergeant (Sgt) Art SWADENER #5753 conducted the briefing within the scene. The briefing ended at 0217 hours.

INVESTIGATION:

Following the briefing, DetSgt FLOOD assigned me to go to Mercy Hospital where VEGA was being treated. He directed me to arrange for VEGA's admitting blood samples be held, as well as to collect his clothing and personal belongings. Detective COLLIER was also going to Mercy Hospital to try and speak with VEGA, and we agreed to meet there. We arrived at 0235 hours and met SDPD Officers Baker #7114 and EYSIE #6963 at VEGA's room. [REDACTED]

I accepted VEGA's clothing and belongings in a hospital bag from Officer BAKER at 0240 hours. I did not inventory the items in the bag.

At 0248 hours, I signed and gave a "Retention of Blood/Urine" form to Mercy Hospital Certified Nursing Assistant (CNA) Tara FREEMAN and Registered Nurse (RN) Irene SMITH who were in attendance of VEGA.

CNA FREEMAN and RN SMITH told me VEGA was presently awaiting surgery scheduled for 0500 hours for treatment of a gunshot wound to his left upper chest area and dog bites to both forearms. VEGA was presently conscious.

Detective COLLIER and I went into VEGA's room and Detective COLLIER tried speaking with him. VEGA claimed to speak Spanish only. Detective COLLIER telephoned Detective CISNEROS and asked him to meet us, as he speaks Spanish.

Detective CISNEROS arrived at about 0314 hours. He had a conversation with VEGA in Spanish. I understood Detective CISNEROS admonish VEGA of his rights per the Miranda decision twice, once at 0318 hours and again at 0324 hours. Detective CISNEROS ended his conversation with VEGA at about 0456 hours.

Case #15049147

I left Mercy Hospital and returned to [REDACTED] Van Dyke Street. There, I met with Detective YANKOVICH and CSS SOUTHERLAND. I relinquished custody of the bag of VEGA's clothing and belongings to CSS SOUTHERLAND at 0521 hours.

See reports by Detectives YANKOVICH, COLLIER and CISNEROS, as well as CSS SOUTHERLAND for additional details.

Investigation continues.

WITNESS STATEMENT:

On November 13, 2015, at 0027 I received a phone call, at home, from Lieutenant HASTINGS #5170 notifying me of an officer involved shooting at [REDACTED] Van Dyke Street. I called Detectives YANKOVICH #5526, REIF #5095, JONES #5214 and DECESARI #6026 and directed them to respond to the scene. Crime Scene Specialist (CSS) SUTHERLAND #8841 and Criminalist CORNACCHIA #8815 were notified and responded as well.

I arrived at the scene at 0113 hours and parked along the south curb of 4100 Myrtle Avenue. At 0145 hours, a briefing on the incident was conducted by Sergeants SWADENER #5753, BUTCHART #5153 and PITUCCI #4304. During the briefing, Officer LUTH #6048 was identified as the shooting officer. He had been transported to San Diego Police Department (SDPD) Headquarters where he met with peer support officers and Attorney Robert KRAUSE.

At 0409 hours, Officer LUTH returned to the scene with KRAUSE. Officer LUTH did a walkthrough of the incident. The walkthrough was recorded by Detective YANKOVICH. Officer LUTH then returned to SDPD Headquarters.

At 0505 hours, Lieutenant HASTINGS and I interviewed Officer LUTH. Attorney Robert KRAUSE was present as Officer LUTH'S legal counsel. The interview was recorded on digital audio. I copied the recording to a compact disc and impounded the disc in the Headquarters Property Room.

CL: Yes sir.

GF: Okay. How many rounds in the magazine?
CL: [REDACTED]

GF: Okay, was there one in the chamber?
CL: Not, not, not as it was stored.

GF: Okay. But when you deployed the weapon at the scene you chambered one at that point correct?
CL: Yes.

GF: Okay. And you said [REDACTED] rounds in the magazine?
CL: I believe so.
GF: You have additional magazines for that weapon as well?
CL: Yes I do.
GF: Okay. How many additional magazines do you have?
CL: [REDACTED] on my SWAT vest.

GF: Okay. Are [REDACTED] also stored with [REDACTED] rounds?

CL: Uh I believe it's an Enforce if I'm not mistaken.

GF: How about an optic? Do you have an optic on there too?

CL: Yes sir.

GF: Okay. And what kind of optic do you have?

CL: Aim Point.

GF: Okay. And I'm sorry, what kind of light again was it?

CL: Uh I believe it was Enforce.

GF: Enforce?

CL: Yeah.

GF: Okay.

CL: The optic and the light both were issued. They came with the rifle.

GF: Okay, so they were Department issued as well too?

CL: Correct. [REDACTED]

GF: [REDACTED]

CL: [REDACTED]

GF: Okay. During the course of this incident, did you deploy any other, any less than lethal force options?

CL: No.

GF: No OC, anything like that, baton?

CL: I did not, no.

GF: Okay. And were you working alone today or were you partnered up with someone?

CL: I had a partner.

GF: And who was your partner?

CL: Keelan McCULLOGH.

GF: Okay, and are you and Officer McCULLOGH regular partners?

CL: Yes sir.

GF: Okay. And in your assignment as a GST officer, could you just describe your normal duties? What your responsibilities are when working GST?

CL: As a GST officer, our primary responsibility is to conduct saturation patrol in known gang areas. Uh, in addition to that we also are tasked frequently with assisting other investigative units throughout the department with sensitive and/or high profile incidents.

GF: Okay. And you are actually attached to an investigations unit. Is that correct?
CL: Yes sir.

GF: Okay. Uh, and in addition to that, do you have other collateral duties on the department?
CL: I do sir.

GF: What's that?
CL: I'm assigned as a PRT officer.

GF: To the SWAT team?
CL: Yes sir.

GF: Okay. Uh, and how long have you been on the PRT Team?
CL: Six years.

GF: Six years? Okay. And typically with GST, do you just work... Do you and your partner just work alone? Or do you work as a part of a, like a team element?
CL: Uh GST is set up to operate in a team environment. Uh, there's four uniformed GST Teams that comprise a unit. Uh, two teams typically work together with the same days off and the other two teams have the opposite days off. So you have seven day a week coverage with GST. The teams operate for the most part as a team. We move together as a team. We go to the areas together as a team. We don't operate independently as best as we can prevent it.

GF: Okay. And you said that you also frequently work with investigative units. Other investigative units, correct?
CL: Yes sir.

GF: Uh this past evening, the evening of the 12th. Were you aware of an operation that the [REDACTED] was working?
CL: I was.

GF: Okay. What did you know about that operation?
CL: Previous to tonight, the night before we were assisting [REDACTED] with surveillance in National City looking for a wanted homicide suspect from this previous Sunday.

GF: Okay. Do you remember what his name was? The suspect's name was?
CL: I don't.

GF: Okay. Do you remember which homicide it was that he was wanted for?
CL: I do.

GF: Okay. Which case was that?
CL: It was the double homicide [REDACTED]

GF: Okay. What information did you have about that case?
CL: The suspect was [REDACTED] loosely. The confrontation occurred. The [REDACTED] tried to...a confrontation occurred between the suspect and the [REDACTED] the [REDACTED]. The [REDACTED] tried to intervene and was also shot by the suspect. The suspect fled in a vehicle and the weapon was outstanding as of last night.

GF: Okay. So you said, and when you say last night, was this...
CL: Wednesday evening.

GF: Okay. So the night of the 11th was when you first became aware of this? Today is now the 13th.
CL: Yes.

GF: Okay. I know it's been a long night, but it's now the morning of the 13th.
CL: Yeah.

GF: So I want to be correct. Was it the night of the 11th, which would have been Wednesday night when you first became aware that [REDACTED] was working in this operation?
CL: Yes sir. I was aware of the incident from the news reports on Sunday.

GF: Uh huh.
CL: And figured we would be involved in it sometime this week.

GF: Okay. Did you ever...were you ever briefed by [REDACTED] as far as their operation?
CL: Not in a formal brief, but when we responded down to National City, we were given suspect info and a brief, [REDACTED] as to what the operation entailed and what we were hoping to do.

GF: Okay. What information did you have? About the suspect?
CL: The suspect was a Hispanic male. I knew he was still possibly armed with the, with the murder weapon. At the time, Wednesday night, which I believe we said was the 11th, he was supposed to come to National City to return or drop off a vehicle. The, it's an Oldsmobile or Pontiac. I can't...we had the info. I think it was gray and I think the last four on the plate were [REDACTED] if I'm not mistaken. He was supposed to leave that vehicle with an acquaintance.

GF: Umm hmm.
CL: And the plan was for [REDACTED] team to obviously identify the suspect and then if they did positively ID him, then we were gonna close in and arrest him.

GF: Okay. Were you ever given a photograph of the suspect?
CL: I was.

Page 10

GF: And as far as Wednesday night, the 11th, did anything develop with the, with the search for that suspect that night?

CL: No. The operation was eventually put down around midnight.

GF: Okay. And then you came into work on the 12th yesterday at uh, I think you said your shift started at 1400 hours. Is that correct?

CL: Yes sir.

GF: Okay. Uh to your knowledge was [REDACTED] still in the process of working that operation again?

CL: Well I didn't know if they were or they were not.

GF: Okay. As your shift went on during the course of the evening, did you become aware that [REDACTED] was again working that operation and trying to apprehend that suspect?

CL: I did.

GF: Okay. And how did that come about?

CL: [REDACTED] came over our frequency which is [REDACTED]

GF: Umm hmm.

CL: And advised via radio that he had located the suspect vehicle.

GF: Okay. Uh and what happened next?

CL: He requested GST to move into the area, but keep a distance until his detectives could arrive on scene and set up a close perimeter.

GF: Okay. And what happened next?

CL: Myself and my partner and Sergeant SWADNER were on another operation in South Bay. We headed that way and took a perimeter, we were in the process of taking a northern perimeter when Detective Rudy CASTRO advised via radio that he'd seen a male walking towards the vehicle and eventually advised that the male had, that same male had now gotten into the suspect vehicle, and was backing out and driving away.

GF: Okay. When you say the suspect vehicle, was that information put out over the air or how did you come to understand that, where did that information come from?

CL: I believe [REDACTED] early on the in Code 5 had identified it as the same vehicle from last night.

GF: Okay, and so then you said that...

CL: Previous night.

GF: you and your partner, along with Sergeant SWADNER and other GST officers now have come into the area and uh, and you said that Detective CASTRO advised that he thought he saw somebody getting into the vehicle at that point?

CL: That's correct sir.

Investigator's Report

Page 11

GF: Okay. And what happened next?

CL: Uh the vehicle then, the other GST Units were much closer than us. We were coming up from South Bay.

GF: Umm hmm.

CL: They requested ABLE and the support, all of the support we needed. As the vehicle was driving away, they attempted to activate, or conduct a 'Hot Stop' on the vehicle, based on the suspect's history and the fact that the weapon was still outstanding. The suspect failed to yield and a pursuit ensued.

GF: Okay. Were you a part of that pursuit?

CL: I was.

GF: Okay. Were you the lead vehicle in that pursuit, or where were you at the pursuit?

CL: Uh we joined the pursuit at 43rd and Logan. National, right where National and Logan split. We were the second to last vehicle in the pursuit.

GF: Uh if you can give me kind of, just a rough time estimate of how long the pursuit had been going when you engaged in the pursuit?

CL: Several minutes; less than five.

GF: Okay. And so then you said you were the second to the last vehicle in the pursuit?

CL: When we joined it.

GF: When you joined it okay. How many total vehicles were in the pursuit? Do you know?

CL: I don't.

GF: Okay. Do you know how many vehicles were in front of you?

CL: No. It'd be a guess on my part sir.

GF: Okay. And what happened next?

CL: We pursued the suspect obviously with all of our emergency equipment. ABLE was overhead. ABLE called the pursuit and chased him. I don't know the route. I'd have to look at the CAD printout for the route, but uh the suspect tried several times to take quick off ramps to evade us. At one point in time when he exited the 43rd, the long 43rd Street off-ramp, the first or second vehicle in the pursuit aired via radio that he'd thrown out something out the window that they thought was a pistol.

GF: Okay.

CL: The pursuit continued and another unit behind us stopped and recovered that item. The pursuit continued and the suspect entered Mid-City from University, going northbound on the 15. A Mid-City officer deployed spike strips and took out the first, at least the first vehicle of the lead pursuing vehicle and then one other vehicle. The suspect continued in a southern direction through service streets in Mid-City, until he eventually came to rest at an apartment complex on the northwest corner of Van Dyke and Myrtle.

Page 12

GF: Okay. When you said that the spike strips took out a pursuing vehicle, are you referring to the suspect vehicle or police vehicles?

CL: Police vehicles. I don't believe the suspect ever hit spike strips.

GF: Okay. And then you said that the vehicle then came to a stop at an apartment complex?

CL: Correct sir.

GF: Okay. And what happened next?

CL: As we came up to the scene, we came southbound on Van Dyke. The suspect made a westbound turn onto Myrtle, and then what would be a north turn into the parking lot of that small apartment complex, and came to a rest eastbound in the southern parking lot of that apartment complex. I exited my patrol car and ran to a position of cover behind a civilian vehicle that was parked along the north curb line of...I want to, I'm not sure of the 100 block of Myrtle right there, but just south of the apartment complex.

GF: Okay.

CL: I initially had just my pistol out. There was numerous other officers obviously with the pursuit that were there. I eventually wanted my rifle due to the distance we were at, and the suspect's propensity for violence and also the fact that he was supposed to be armed. So another officer retrieved my rifle for me from my trunk and handed it to me. I charged my rifle and then just maintained that position while we made plans to either convince the suspect to give up, or to get him to get out of the vehicle.

GF: And you said 'we made plans'. Can you elaborate on that a little bit?

CL: Yeah. There were numerous sergeants and field lieutenants on the scene. Lincoln 4, Lieutenant WEEDEN I believe was the incident commander if I'm not mistaken. Initially, I was taking direction from my sergeant, Sergeant SWADNER, as far as containment. Plans were being made away from me about contingencies and canine plans and all that stuff. Those plans were then briefed to us either via radio or in person by one of the supervisors that was tasked with handling that specific plan.

GF: Okay. Were you given a specific responsibility?

CL: Yes, I was.

GF: What was your, what were you told?

CL: In my position I was told to maintain containment of the suspect where he was. I had a very good view inside the vehicle and of the suspect's movements, so my job was for containment for him and then also to provide cover for the officers as they're coming up with their plans.

GF: Okay. And who gave you those instructions?

CL: Sergeant SWADNER and then also Sergeant BUTCHART.

GF: Okay. And you said that you had a very good view of the suspect at this point?

CL: That is correct.

Investigator's Report

Witness: LUTH, Christopher #6048

Case #15-049147

Page 13

GF: Okay. How far away from you was the suspect?

CL: Fifteen to twenty yards.

GF: Okay. And what was he doing?

CL: He was moving, moving around in the car. During the pursuit he...actually he was wearing a hoodie. A darker gray hoodie and he'd pull it up over his head. And throughout the duration of the incident, prior to the OIS, the suspect was reaching down into his waist, looking down at his waist, looking back over his left shoulder towards the officers that were to the west looking over his right shoulder directly at us, and making eye contact with us at our position. The suspect reached into the back seat several times and the suspect also reached across, into the right front passenger seat on numerous occasions.

GF: And once you were given those instructions from Sergeant SWADNER and then also from Sergeant BUTCHARD about your responsibility and your role, did you ever change positions?

CL: The only position we did change was...We were using the civilian vehicle for cover. [REDACTED]

[REDACTED] So I moved back off of the civilian vehicle, probably the width of a patrol car.

GF: Uh, I don't really understand that. Can you explain that a little bit more?

CL: There was a civilian vehicle parked along the north curblane, directly...I was perpendicular to the suspect vehicle.

GF: Umm hmm.

CL: [REDACTED]

GF: Okay. And then did you then move behind the patrol car?

CL: I did.

GF: Okay, and what happened next?

CL: Numerous plans were made to attempt to get the suspect out of the vehicle. ENT tried.

[REDACTED] ENT attempted to use the, the bullhorn on the Bearcat to negotiate with the suspect. That was unsuccessful. The suspect during the negotiations and throughout the incident would look back over his left shoulder, back westbound towards where the officers on the west side of the perimeter had gathered. He would open the door several inches at a time but never completely open it. Open it and close it. Open and close it. Several plans were made once they realized that the negotiations weren't going our way. [REDACTED]

[REDACTED] A team initially came in from the..the suspect was supposed to, via the negotiations, was supposed to roll down his right front passenger

window. He tried that several times. He would roll it down an inch. Roll it back up, roll it down halfway, roll it back up and it was just a game he was playing, rolling it down just partway. The officers at that point in time were going to deliver him a cell phone, so that he could better communicate with the ENT negotiators. When the suspect refused to lower his window so the officers could safely deploy a cell phone, they made arrangements with him to retrieve his cell phone from within the vehicle. That was briefed to us over the air, via radio, that the suspect would be reaching under his seat to retrieve a cell phone. The suspect reached under the seat, reached across to the center console, what appeared to be the center console, reached further across to the right front passenger seat, and then turned his body around in the driver's seat and reached around into the back. Each time retrieving items but none of which were a cell phone until he did finally retrieve a cell phone from within the vehicle.

GF: Okay. At any point in time was your roll changed or did you maintain the same mission, the same instructions as far as containment and covering the other elements that were moving forward and engaging the suspect in less than lethal options and things like that. Did your assignment ever change?

CL:

[REDACTED]

GF: Okay. But other than that, your position never really changed and your responsibilities never changed. Is that correct?

CL: Correct sir.

GF: Okay.

CL: And as they retreated back, then I reassumed....

GF: Okay.

CL: that the responsibilities that I had prior to that.

GF: And I think you left off where the suspect finally did retrieve his cell phone?

CL: Correct sir.

GF: Okay. And what happened next?

CL: So, ENT or negotiators began speaking with the suspect via cell phone. Those negotiations didn't last long [REDACTED]

[REDACTED]
[REDACTED]
[REDACTED] Uh those attempts were all unsuccessful. [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

GF: Okay.

CL: The team backed away and we maintained observation of the suspect during that time. The suspect used the hoodie and/or another item of clothing to cover his mouth, but didn't appear to feel....

A plan was made...

The suspect opened the driver's side door a small amount, not enough, enough to know for us that we knew it was open, but not even a quarter of the way open. And constantly he was looking back and making eye contact with the officers. The group of officers now were standing to the west, to include the negotiators. Another plan was made

GF: Okay. And what happened next?

CL: [REDACTED] the suspect exited the vehicle via the driver's side door, exited the vehicle facing north. Immediately, he turned west facing the officers, the group of officers in ENT that were standing to the west approximately ten to fifteen yards to the west of the suspect. The suspect turned to face them, made a quarter turn immediately facing us, facing me, to the south. As he made that quarter turn from west to south, he brought both hands towards his mid-section, towards the hoodie pocket, the central pocket. And as he's turning, he's taking both hands and lifting what I would call violently up to the point where I can see the sweatshirt rising. As he's doing that, he's looking towards directly at me and the officers that are in my position. As he's bending, as he's pulling up with his hands, both hands at his mid-section, he leans forward into the driver's seat of the vehicle where he had just been. At that point in time I believed he was attempting to gain access to a weapon that he had in the vehicle or on his person and he was gonna injure the officers that were with me or the officers that were to the west of him that had uh not much cover. I fired one round from my rifle, through the right front passenger window and when I did, I immediately lost sight of the suspect. He fell below the window line and I fired. I did not fire any longer.

GF: Okay. You said you fired through the right front passenger window uh correct?

CL: Yes sir.

GF: Okay. Are you talking of the suspect vehicle?

CL: Yes sir.

GF: Okay. So you fired through the window of the suspect vehicle?

CL: Yes sir.

GF: Okay. Uh, and then you said that after you fired the one round that then you, the suspect went down. Is that correct?

CL: Went below. Below window line. I lost sight of him.

GF: Okay.

CL: I lost sight of his body. The only sight I did have of the suspect at that point in time was his foot, or a foot.

GF: Umm hmm.

CL: Between the bottom of the vehicle and the driveway. So I could see a shoe.

GF: Okay. And what happened next?

CL: The sergeant, I believe it was Sergeant BUTCHART came up on the air and said who fired? Officer EULER..I told Officer EULER behind me, 'Tell them I did' and there was a little bit of delay getting that out I think. Uh, Sam initially said, 'GS 33 we fired...it, one shot was fired. It was from us. Suspect's down', I believe is what the verbiage was. They initially, immediately made a contact team... sent a contact team from the north side or the driver's side of the Bearcat and/or the suspect's vehicle, which his door was

now ajar with a canine and numerous other officers. I know a canine and I know a taser were deployed. I don't know the, the amount of officers that were actually responsible for that. I was taken away from that scene shortly thereafter.

GF: Okay. And you said you were taken away. Where were you taken?

CL: Uh to the Gang Office down here at Headquarters.

GF: Okay, so you were actually, somebody drove you from the scene down to Headquarters. Is that correct?

CL: Yes. Part of leaving I took my rifle. I secured my rifle in my patrol car. It's still loaded, just on safe.

GF: Umm hmm.

CL: Secured the rifle in the trunk of my patrol car and then Officer LUJAN brought me down here at the direction of one of the supervisors, and I don't know who.

GF: Okay. Just want to clarify the condition of your rifle? Did you eject any rounds out of your rifle?

CL: Live rounds?

GF: Yes.

CL: No sir.

GF: Okay. And you said you just, you left the round chambered and that you put the weapon on safe and then you stored it in your vehicle, correct?

CL: Yeah. The weapon was on safe. The dust cover should be closed and the round, the weapon should still be chambered.

GF: Okay. Um, if you could just give me a rough estimate, it sounds like this went on for a little bit of time?

CL: Yes sir.

GF: But a rough estimate from at least in your prospective, the amount of time that went on from the time that the vehicle pulled into the parking lot, until you fired?

CL: I'm not sure sir. It would be a guess on my part sir.

GF: Okay. Did you ever hear the suspect make any statements while this was going on?

CL: No I didn't. I could see him talking.

GF: Umm hmm.

CL: I could see his mouth moving, but I couldn't hear what he was saying.

GF: Did you ever hear any other officers giving him any commands of any sort?

CL: Yes sir.

GF: Okay. What did you hear?
CL: Uh initially it was, you know, 'Show me your hands!' 'Come out of the vehicle!' 'Hands up!' And then there was some discussion via the PA with ENT that 'No one wants to hurt you. You need to come out of the car with your hands up. We're not going away.' Things of that nature.

GF: Okay. Now I see on your uniform right now you have a body worn camera. Is that correct?
CL: Yes sir.

GF: Did you ever activate your camera?
CL: I did sir.

GF: Okay. At what point did you activate your camera?
CL: Um, pretty early on, probably prior to retrieving transitioning from pistol to rifle I believe.

GF: Okay. Was the camera on at all during the pursuit or did you turn it on once the vehicle stopped in the parking lot?
CL: Once I was in a perimeter position, or a containment position, it was activated. It was not activated during the pursuit.

GF: Okay. And did you keep the camera on the entire time or did you shut it off at any point?
CL: I shut the camera off at one point. Yes sir.

GF: Okay. And about when was that?
CL: Once the incident transitioned from more of a 'Hot Stop' to now a tactical incident or a PRT assist with the armor or the Bearcat and ENT being involved.

GF: Did you ever reactivate your camera?
CL: No sir.

GF: Okay. Lieutenant?
MH: Chris can you walk me through. I'm confused on a couple of things. I want to make sure I get cleared. The car, the suspect vehicle is two or four doors?
CL: Four.

MH: And you said that when the [REDACTED]
CL: The right rear passenger.

MH: And you fired through which window?
CL: The right front.

MH: Window?
CL: Yes sir.

MH: And was that window intact when you fired?

CL: Yes sir.

MH: You recall?

CL: Yes sir.

MH: Okay. And back to the BWC now, [REDACTED] calls and asks for help and you guys go?

CL: Yes sir.

MH: Correct? And then your BWC gets activated not at the pursuit but when you, somebody goes back to your car to get your rifle for you. Is that correct?

CL: Um, I think it's...the pursuit is, the suspect is now stopped. We're no longer pursuing him. I'm out of my patrol car.

MH: On Van Dyke?

CL: On, I'm on Myrtle.

MH: Or Myrtle, okay.

CL: In a, in a containment position on Myrtle, facing north at the suspect.

MH: Okay.

CL: And I, I'm not sure, but I believe it was activated prior to transitioning to the rifle.

MH: Okay. And then again specifically, when do you shut it off specifically?

CL: We turned it off when the incident transitioned from more of a 'Hot Stop' to basically a barricaded suspect or a tactical incident when our armor arrives. And several other officers had asked a supervisor on scene, 'Hey are we still rolling with cameras?' A supervisor had said no. They relayed that information, 'Hey, it's now gone to a tactical incident. We've turned ours off'. So then I turned mine off.

MH: Okay. That's all I have.

GF: One additional question that I want to clarify with you. You had said that after you fired, that one of the supervisors got on the air and asked who had fired and that you had told your partner officer to answer up for you, correct?

CL: Yes sir.

GF: What was your thought process with that, as far as why you didn't answer up yourself at that point?

CL: I had, I knew where he was last and I knew where he fell in the car. And if he was not completely incapacitated and had the desire to come back and present the weapon again, I didn't want to lose that perspective of what I had. So I told Sam, Officer EULER who I knew was behind me...

GF: Umm hmm.

Investigator's Report

Witness: LUTH, Christopher #6048

CL: 'Hey, tell them I did it. Tell him I shot'. And then he, Sam, put out his Unit designator as opposed to mine saying, 'GS 33, we shot one round'.

GF: Okay. Anything else that you think is important to add?

CL: No I believe that's it sir.

GF: Okay.

MH: Chris, can you describe...you're very specific about the suspect. And he gets out of the car and he, in essence, lifts the front of his something up. Whatever that might be. What is the lighting like when you're seeing that?

CL: The lighting on the scene throughout this entire event is actually fairly well. There's good ambient lighting from the apartment, as well as the, using the take down lights on the Bearcat.

MH: Okay.

CL: There was a canine car, offset from the Bearcat to the rear of it with their take down lights on. Numerous officers, including myself, had our weapon mounted lights activated on the suspect and there was a, the patrol car that we were using for cover, we had both the driver and passenger sides, spotlights were activated and both pointing at the suspect's vehicle.

MH: Okay. When he lifts his shirt up, are you able to see skin or anything underneath the shirt?

CL: I believe I saw something multicolored like what I would describe as like multicolored boxers.

MH: Okay.

CL: The waistband of a multicolored boxer.

MH: How much of the suspect could you see at that point?

CL: How much of?

MH: The suspect could you see at that point?

CL: Everything from his waist, the waistline area up. But there was obviously a spot near around his upper chest or neck that was obscured by the roof of the vehicle.

MH: Okay. And then you talk about...I'm just clarifying this. What does the suspect do after that part then? He lifts up his shirt and then does what?

CL: Well he, he digs his hands, both hands in the front of his waistband or towards the center waistband.

MH: Okay.

CL: And he jerks up. And he makes repeated upward motions, but they're not...they're jerking or almost violent motions in an upward manner with both hands.

MH: Okay. And then he does what?

Investigator's Report

Witness: LUTH, Christopher #6048

Case #15-049147

Page 21

CL: And then he....while his hands are there, he bends forward, leaning head first forward, towards the driver's side seat of the vehicle.

MH: Front or back?

CL: Front sir.

MH: Okay. And what did you think he was doing?

CL: I believe he was reaching for a weapon or retrieving a weapon from the vehicle.

MH: Okay. Why'd you fire your gun?

CL: I was trying to save the officers, myself and the officers that were standing on either side of me and the officers that were to the west from him hurting any of them or killing one of us.

MH: That's it Greg.

GF: You talk about what you saw when you fired and just before you fired. Did you hear anything?

CL: I heard my round.

GF: Okay.

CL: Or I heard my weapon discharge.

GF: Okay. Were you hearing anything else?

CL: Dog barking, or the canine's barking.

GF: Okay. Um, now you said you came on the department in 2004, correct?

CL: Correct sir.

GF: Had you had any prior military training?

CL: No sir.

GF: No, okay? And you've been on the SWAT team for you said five years now?

CL: Six years.

GF: Six years, okay. And as part of your responsibilities on the SWAT team, how often do you practice with your firearms?

CL: It varies, but we attend monthly training every month.

GF: Okay.

CL: And there's some months where it's different, but...

GF: And in those monthly trainings, how often do you practice with the AR?

CL: Every time we fire...a majority of the time we have weapons training, we shoot all three weapons platforms; AR, MP5 and pistol. There are times where we cut one of those out due to ammunition issues or time constraints, but typically that's how it runs.

OFFICER STATEMENT:

On 11/12/15, I was working in full uniform and in a marked SDPD patrol car as a member of the Gang Suppression Team (GST) and a PRT SWAT Officer.

I heard other GST officers in a vehicle pursuit of a wanted double murder suspect. The suspect parked his car in an apartment complex parking lot near the intersection of Van Dyke Ave and Myrtle St. I took up a position to the west of the vehicle in a yard on Myrtle St with a rifle and had a good visual on the suspect. During the course of the incident, members of the Emergency Negotiation Team (ENT) arrived and took up a position directly behind me because of the direct line of sight of the suspect and because they were able to yell back and forth with the suspect as his cell phone was not working the entire time.

During the incident I had my BWC activated until ENT took up a position directly behind me. Because the six negotiators were directly behind me I blocked for them and provided lethal cover while they made contact with the suspect by both cell phone and by yelling back and forth. I turned off my BWC when ENT members were formulating negotiation plans, tactics and during sensitive discussions among the ENT detectives and Special Agents. I turned my camera back on during any movements at the car by the suspect or officers.

I had submitted a handwritten A-9 at the scene but forgot to mention that I had my BWC activated at the time of the incident.

TRAINING AND EXPERIENCE:

I am currently assigned to the Gang Suppression Team and have been since July of 2012. I have been a San Diego Police Officer for approximately ten years and two years as a Special Agent with the Naval Criminal Investigative Service. I attended the five month San Diego Regional Police Academy, the five month Criminal Investigative Training Program and the two month Special Agent Basic Training Program at the Federal Law Enforcement Training Center. I've worked Southeastern, Western and Mid-City divisions as a patrol officer and acting sergeant and currently work a collateral assignment as a member of the Primary Response Team (PRT) SWAT officer.

As a NCIS Special Agent assigned to the Southwest Field Office (San Diego), I worked general criminal investigations, undercover narcotics operations, dignitary protection details and intelligence gathering operations in Iraq, was a member of the SDPD Emergency Negotiation Team (ENT) and was assigned to the SDPD Gang Suppression Team (GST) as a federal agent.

SYNOPSIS:

Felipe VEGA evaded Officers in a vehicle for approximately thirty minutes covering several streets and committed numerous hazardous vehicle code violations. VEGA was wanted as a suspect in a double homicide that occurred on November 8th on [REDACTED] VEGA was eventually taken into custody and transported to the hospital with a gunshot wound.

ORIGIN:

On 11-12-15 at approximately 2115 hours, Officer Lujan #5594 and I were in full uniform in a marked patrol car assigned to the Gang Suppression Team (GST). We were in the area of Logan Avenue and Dominion Street when we learned that Detectives had located a vehicle [REDACTED] believed to be in the possession of Felipe VEGA. The vehicle had been located parked on the west curb line of 1100 South 43rd Street. VEGA had been identified as the suspect in a double homicide that occurred on November 8th in the area of [REDACTED] During that incident, VEGA allegedly killed a [REDACTED] VEGA was reported to be armed with a .380 cal semi-automatic handgun during the homicide and the weapon was still outstanding. All information gathered during the investigation lead to it being believed that VEGA was still in possession of the handgun. It was unknown if VEGA possessed other handguns.

Officer Lujan and I stopped our car on Dominion Street facing southbound just north of Logan Avenue. As we were standing by, Detectives stated there appeared to be a male in the vehicle who matched VEGA'S description. Detectives then advised the car was pulling away from the curb and driving southbound.

INVESTIGATION:

The car initially drove southbound, then quickly made a u-turn and drove northbound on South 43rd Street. Officer Lujan moved our vehicle onto westbound Logan Avenue and pulled to the north curb line. Officer Lujan and I watched as VEGA'S vehicle made an eastbound turn onto Logan Avenue. Officer Lujan made a u-turn on Logan Avenue and followed behind VEGA. We followed VEGA northbound onto Dominion Street and waited for another unit to fall in behind us before activated our vehicle's emergency lights. We followed VEGA as he turned eastbound on T Street and then southbound on South 44th Street. Once VEGA reached the stop sign at 44th Street and Logan Avenue, Officer Lujan activated our vehicle's emergency lights to initiate a traffic stop of the vehicle. VEGA made a westbound turn onto Logan Avenue and began accelerating driving westbound. Officer Lujan activated our vehicle siren, but VEGA refused to yield his vehicle. Officer Lujan and I followed VEGA along the following path:

VEGA then turned southbound onto Una Street and then eastbound on Birch Street. VEGA then drove northbound on Woden Street and eastbound on Epsilon Street. VEGA drove eastbound to South 43rd Street where he made a southbound turn. VEGA then drove southbound on South 43rd Street and turned westbound on Nordica Street. VEGA drove west on Nordica Street to South 40th Street and turned southbound. VEGA then turned westbound on Marine View and drove west onto the northbound Interstate 5 on ramp. VEGA drove northbound on I-5 and took the northbound I-15 ramp. VEGA drove northbound on I-15 to Highway 94 where he took the eastbound 94 ramp. VEGA drove eastbound on 94 to the Euclid Avenue off ramp. VEGA took the northbound Euclid Avenue off ramp, stayed in the transition lane, and entered the westbound 94. VEGA drove westbound on 94 to I-805 and took the southbound I-805 ramp. VEGA drove southbound on I-805 to the South 43rd Street exit ramp and drove onto the ramp. While in the apex of the turn on the South 43rd Street exit ramp, I observed VEGA throw an object out of the vehicle's open passenger side window with his right hand. I could see the object was about the size of an adult palm and was metallic. I believed the object could possibly be a gun. Another GST unit was able to locate the object and confirmed it was a .380 cal semi-automatic handgun. VEGA continued to drive as he threw the gun out of the window. VEGA drove northbound onto South 43rd Street from the off ramp and then drove eastbound on Z Street. VEGA then drove northbound on 45th Street and then eastbound on Logan Avenue. VEGA drove eastbound to South 47th Street where he turned southbound onto South 47th Street. VEGA then took the northbound 805 ramp and drove northbound on 805. VEGA took the northbound 15 transition from 805 and drove northbound on 15 to the El Cajon Boulevard exit. Once at the top of the El Cajon Boulevard exit VEGA made an eastbound turn onto El Cajon Boulevard. At the top of the exit ramp an Officer attempted to deploy spikes, which missed VEGA'S vehicle. The spike strips impacted our vehicle's left rear tire. We were able to follow VEGA eastbound on El Cajon Boulevard and then southbound on Marlborough Street. VEGA turned eastbound on Orange Avenue and then southbound again on Marlborough Street. As we made the southbound turn from Orange Avenue onto Marlborough Street we lost traction in the rear end of our vehicle and realized we had a completely flat left rear tire. Officer Lujan pulled our vehicle to the west curb line and other Officers took over the pursuit of VEGA.

The pursuit continued for a few more blocks until VEGA pulled the vehicle into the carport of an apartment complex at [REDACTED] Van Dyke Avenue. Throughout the pursuit VEGA disobeyed several vehicle code laws including speed, right of way, safe movement, and controlled intersections. VEGA put several people's lives in jeopardy as he drove carelessly through the city streets and freeways.

While Officers attempted to conduct a felony hot stop on VEGA, Officer Lujan and I were able to get our patrol vehicle tire changed and drove to the location on Van Dyke Avenue. Officer Lujan parked our vehicle at Van Dyke Avenue and Dwight Street and we walked to the scene located at [REDACTED] Van Dyke Avenue. There were several Officers behind various points of cover with weapons drawn focused on VEGA in his vehicle. I stood by directly south of VEGA'S position behind the cover of a patrol car. I was standing by with three Officers who had rifles. After several attempts to get VEGA to exit the vehicle, VEGA quickly exited and began reaching into his waistband. VEGA was subsequently shot by Officer Luth. I then left the scene with Officer McCullough with Officer Luth's rifle to transport it to Headquarters for Homicide detectives. I then provided Homicide Detectives with my verbal statement regarding the incidents that occurred on Van Dyke Avenue. See the investigative follow up by Homicide for details.

SUSPECT (IF NAMED) Vega, Felipe					

ORIGIN:

On 11/12/2015, at about 2130 hours, I was working as a canine supervisor. I was wearing a SDPD canine uniform and driving a SDPD canine vehicle. I became aware of a vehicle pursuit involving homicide suspect, Felipe Vega. I knew there were canine officers involved in the pursuit and responded as a canine supervisor.

BACKGROUND:

Vega was wanted for a double homicide and was believed to be armed and dangerous. During the pursuit he threw a handgun out of the car. The handgun was recovered by GST Officers. The pursuit concluded with Vega crashing into a parked vehicle in the driveway of [REDACTED] Van Dyke Av.

OFFICERS STATEMENT:

When I arrived, Officer Bret Edwards's # 6191 had deployed his PSD and was set up with a REACT team at the rear of the suspect vehicle. Vega was seated in the driver's seat and was not complying with officer's commands. Officer Luis Carbajal # 6738 began giving Vega commands in Spanish. Several times he warned Vega to comply or he would be bitten by a police dog.

Canine Officers Charles Marciniak # 5179, John Levan #5369, Justin Featherly # 6719 and Mark Lopez #5892 also responded. I established a [REDACTED] of the suspect's location and assigned a canine team with them. As the problem progressed we rotated PSD's as they began to tire from stress. The canines were deployed and would be used to apprehend Vega if he exited the vehicle and was not compliant for the following reasons:

SERIOUSNESS OF THE INCIDENT:

Vega was wanted as a suspect in connection with a double homicide where he is suspected to have shot a man and woman to death and was believed to be armed. Vega lead officers on a lengthy pursuit, during the pursuit Vega threw a handgun out of the car. Once stopped, Vega was uncooperative and was continually reaching under the seat of the car. He was believed to still be armed.

CASE NUMBER

Vega had demonstrated his propensity for violence by shooting two people [REDACTED]. He has absconded for over a week. Vega led officers on a lengthy pursuit on freeways and surface streets placing both officers and citizen's lives at risk. Vega was believed to be armed and if he were to escape he would have been a threat to citizens and officers. Vega was non-compliant with officer's commands, refusing to get out of the car and continually reaching around in the car. Vega was believed to be armed and posed a threat to officers approaching the car to take him into custody. Seated in his vehicle he had a tactical advantage over officers approaching his car. He could have armed himself with conventional or non conventional weapons while seated in the car and used those weapons against officers attempting to take him into custody.

THE SUSPECT ACTIVELY RESISTED OFFICERS:

Vega led officers on a lengthy pursuit and refused to yield to officers. He only ceased fleeing when he crashed his car. Vega sat in his car and refused to comply with command to exit his car. Vega was given ample opportunity to surrender but refused.

[REDACTED]

[REDACTED]

I deployed my PSD "Iron" #C-1227 with the REACT team on the driver's side of the car. PSD "Iron" had been deployed with the SWAT team previously and is accustomed to [REDACTED]

[REDACTED] Vega opened the driver's side door approximately 12 inches but refused to come out of the car. I moved to the driver's door of the Bearcat and released my PSD with the "in car" command. PSD Iron approached the open door and bit Vega on the left arm. Vega slammed the door on my PSD's head several times causing him to release the bite. PSD Iron ran to the passenger's side of the car and I ran around the Bearcat and called him back to me.

I saw the rear window of Vega's car had been broken out and only a few jagged pieces of glass remained at the bottom of the window. I was concerned my PSD would be injured if I deployed him through the window. Officer Carbajal obtained a pole and we approached the passenger's side of the car. Officer Carbajal used the pole to remove the jagged glass shards to allow me to deploy my PSD through the window.

CASE NUMBER

As Officer Carbajal was removing the glass I saw Vega exit the car facing north. He initially turned to his left looking back at the REACT team at the rear of the bearcat then he turned to his right. I saw him begin to reach toward his waist with his right hand and I heard the sound of a gunshot.

I moved with the contact team to the rear of the Bearcat and learned that an officer had shot Vega. He was out of my sight but I was told he was laying half in and half out of the driver's door. I moved up with the arrest team to take Vega into custody. As we approached the divers door Vega quickly stood, faced north and began reaching toward his waistband with his right hand, refusing to put his hands up.

I was afraid he was either reaching for a weapon to attack us or was attempting to solicit us to shoot him again. I released my PSD on the bite command to prevent him from reaching a weapon to harm us or to stop his actions that may precipitate a shooting.

PSD Iron ran directly at Vega and bit him in the left forearm. PSD Iron drove Vega back into the car and he was seated in the driver's seat with his legs out of the car. Vega began punching my PSD in the head. At some point PSD Iron bit Vega in the right arm but I'm not sure when. I approached Vega and saw PSD Iron had bit and held Vega's left wrist and forearm. Vega pulled his left arm into his body and I couldn't see his right hand. I was concerned he was reaching for a weapon. I grabbed Vega by the head and shoulders and along with other officers I pulled him out of the car. Vega was resisting us and I still couldn't see his right hand. I punched Vega 4-5 times in the left side of the face with a close right fist to detract him from reaching under his body with his right hand.

Once officers had control of Vega's right hand I took physical control my PSD and saw he was still biting Vega's left wrist. I removed my PSD from the bite and officers took control of Vega. I estimate the PSD was on the bite for approximately 50-60 seconds.

INJURIES:

As Vega lie handcuffed on the ground I saw he had lacerations to both left and right wrists but I could see his forearms as he was wearing a long sleeved sweatshirt. Vega was transported to Mercy Hospital for emergency treatment for a gunshot wound. I was not able to fully view or photograph his injuries from the dog bite.

I received a contusion to my right hand from striking Vega. I drove to Grossmont Hospital for x-rays and was treated and released the same morning.

Officer's Statement:

On 11/12/2015, at approximately 2122 hours, I assisted officers in a vehicle pursuit of a wanted homicide suspect (Felipe Vega). During the pursuit officers advised that Vega discarded on object of the vehicle, possibly a handgun. The object was last seen on the 43rd Street off ramp from Interstate 805 South.

I took the 43rd Street off ramp from Interstate 805 South. I assisted Officer Ketchum #5955 who had located the two pieces of a firearm in the street. One piece was a silver colored slide that read "Lorcin", "Model L380", and ".380 CAL. AUTO". Another piced was a dark gray and silver pistol grip that contained a magazine well. The magazine well contained a magazine.

I put on rubber gloves and recovered the pistol slide and pistol grip.

Officer Ketchum took photos of the items.

I impounded the pistol slid and pistol grip under Incident #15110013262.

After securing those items I learned that Vega had stopped his vehicle in the driveway of a residence [REDACTED] Van Dyke Avenue. Vega was inside the vehicle and was refusing to comply with officer commands.

I then established a position on the west side of the vehicle closer to the driver door. At various times Vega would partially open the driver door. At the direction of scene supervisors [REDACTED] This happened on several different occasions.

Vega was eventually taken into custody by other respondind units.

I was wearing my department issued BWC during this incident and the footage is available for review.

OFFICER STATEMENT/INVESTIGATION:

On November 12, 2015, Officer S. Euler #6242 and I volunteered to assist [REDACTED] with an operation in the area of 1000 South 43rd Street. [REDACTED] requested GST Officers to move to the area in anticipation of making a traffic stop on a wanted vehicle, involved in a murder on November 08, 2015. The vehicle was described as being a green Oldsmobile Cutlass [REDACTED]

The wanted suspect in the murder was a Hispanic male, identified as Felipe Vega (02-05-76). [REDACTED] advised via radio that he was in a position of observe if the vehicle drove away. [REDACTED] also advised that he was unsure if the vehicle was occupied.

Officer Euler and I drove to the 800 block of Dominion Street and parked our patrol car until we received information whether the vehicle was occupied by Vega. Responding Detectives were en route to assist [REDACTED] with surveillance of the vehicle. Detective R. Castro #5392 arrived at the location and was able to drive by the vehicle. Detective Castro advised that the vehicle was occupied by a male wearing a hooded jacket and wearing a baseball cap.

Once that information was radioed, [REDACTED] advised that the vehicle had begun to pull away south bound from the curb. We were advised that the vehicle made a u-turn and was now driving north on South 43rd Street towards National Ave. I positioned my patrol car (Black and White) on the 4300 block of Logan Ave and waited for the vehicle to make it to the intersection.

While waiting for the vehicle to approach the intersection, I observed a green vehicle turn east onto Logan Ave from South 43rd Street. I could see the driver was wearing a hooded jacket and was wearing a baseball cap, as described by Detective Castro. I immediately made a u-turn and was able to get behind the vehicle as it drove onto the 800 block of Dominion Street. As I drove behind the vehicle, Officer Euler and I were able to confirm the license plate as being the wanted vehicle.

I followed the vehicle until enough GST Units were in place to conduct a traffic stop. Once enough units arrived, I activated my overhead lights (Red and blue) and siren. I observed the vehicle drive away from me at a high rate of speed, failing to stop.

A vehicle pursuit ensued. During the early stages of the pursuit, Sgt. A. Swadner #5753 advised that the vehicle had driven past him and could see and confirm the driver was Vega. Vega led Officers in a vehicle pursuit that went through Southeastern Division, several freeways, and Mid-City Division.

On 11-12-2015 at approximately 2140 hours Officer Baker #7114 and I (834K3) were on patrol in full police uniform in a marked patrol vehicle. We responded to the area of [REDACTED] Van Dyke Avenue, San Diego, CA to assist multiple other units with a vehicle pursuit which had come to a stop at this location. At approximately 2210 hours Officer Ayala #7158 and I took a position on the roof of [REDACTED] facing eastbound. I was able to see in to the vehicle and monitor the suspect's movements from this location. I had a clear, unobstructed view of the suspect and vehicle and was using binoculars.

[REDACTED] the suspect quickly exited the driver's seat, standing immediately next to the vehicle. The suspect then quickly reached back in to the vehicle from his standing position. At that time I heard a gun shot, but did not see where it came from. I immediately heard the suspect scream and fall back in to the vehicle, seated on the driver's seat with his legs hanging out of the vehicle, feet touching the ground. The suspect stopped moving at that point. As an arrest team approached, the suspect lifted his head up. As the arresting Officers went hands-on with the suspect, I lost visual of the suspect but it appeared Officers were struggling to take him in to custody. Multiple Officers took the suspect to the ground, where it appeared he continued to struggle for at least 15 seconds. The suspect was eventually taken in to custody and Paramedics were summoned to the scene.

Officer Baker and I volunteered to escort the suspect to the Scripps Mercy hospital. I rode in the ambulance with the suspect and SDFD Paramedics while Officer Baker followed. The suspect was conscious during transport but did not say anything. At Mercy, Officer Baker recovered the suspects clothing.

Officer Baker and I stood by with the suspect during his treatment at Scripps. The suspect did not make any statements during our supervision of him.

LOCATION OF INCIDENT (OR ADDRESS) VAN DYKE AV			CITY SAN DIEGO	BEAT 834	
SUSPECT (IF NAMED) VEGA, FELIPE DEJESUS					

OFFICER'S STATEMENT:

On 11/12/2015 at approximately 2120 hours, Officer Ruggiero #6118 and I were in full uniform and in a marked police vehicle in the area of 4300 National Avenue in San Diego. Officer Ruggiero and I are currently assigned to the San Diego Police Department's Gang Suppression Team (GST).

We assisted Officer Lujan #5594 and Euler #6242 as they attempted to stop a green Oldsmobile Cutless near 4400 T Street. The driver of the vehicle was positively identified as Felipe Vega. Vega was wanted in relation to a double homicide which occurred on 11/08/2015. Vegas fled from Officers Lujan and Euler and a pursuit was initiated. Officer Ruggiero and I assisted on the pursuit and were in the number two position. The vehicle traveled across several freeways, including the 94, 805 and 15. Vega was moving around during the pursuit and was known to be armed and dangerous.

Officers Lujan and Euler had vehicle trouble near 4100 Marlborough and Officer Ruggiero and I took over the number one position. Vega brought his vehicle to a quick stop inside the front parking lot at [REDACTED] Van Dyke Avenue. I quickly exited on the passenger side of my vehicle as Vega opened his door, prior to being told to and partially put his feet outside the vehicle and looked back towards me. Based on Vega's evasion, history of being armed and recent double homicide, I drew my firearm and pointed it at Vegas while giving him commands to show me his hands. Vega looked at me while I was giving him commands, then got back inside his car and closed the door. I took a position of cover near a white truck, while continuing to point my firearm at Vega. My body camera (BWC) was on while I was initially covering Vega from a position on the southern perimeter.

I was relieved from my position by Officers Parga #6222 and McCullough #6698.

After being relieved from my position and waiting in the back of the scene for an extended period of time, I approached my original southern perimeter position one more time when Vega became increasingly uncooperative and agitated.

Vega was subsequently arrested.

Suspect: VEGA-MEZA, Felipe H/M (39) DOB: 02-05-1976

FOLLOW-UP INVESTIGATION:

I am currently assigned as a Detective to the Special Investigations Unit (SIU). Our team is tasked with locating and arrested fugitives and suspects involved in violent crimes including homicide. On November 8, 2015, at about 2130 hours, SIU detectives were called to respond to a homicide that had occurred in the area of 43rd and Newton.

Detectives M. Day, R. Castro, and I responded to the homicide scene and spoke with Captain J. Duran. Captain Duran provided us with the details of the incident and the identity of the suspect, Felipe Vega. Homicide detectives were able to identify Vega's phone number as [REDACTED]. I conducted a record check of this phone number and found it is serviced by [REDACTED]. Detective Mackay sent [REDACTED] an exigency request to obtain cell phone records and GPS information for the cell phone.

[REDACTED] representative notified Detective Mackay the cell phone had been turned off shortly after the homicide and there was no current GPS information available on the whereabouts of the cell phone.

On November 9, 2015, a representative from [REDACTED] forwarded cell phone records to Detective Mackay related to [REDACTED]. [REDACTED] reviewed the records and found [REDACTED] is registered to Felipe Vega. Call Detail Records (CDR) show the cell phone's last activity was on November 8, 2015, at 2355 hours. Shortly after the homicide, at 2113 hours, the cell phone was utilizing a cell tower in the area of [REDACTED].

I reviewed cell tower activity at the time of the homicide. At 1944 hours, just before the homicide, Vega's cell phone showed to be utilizing a cell phone tower near [REDACTED]. At 2005 hours, the cell phone was utilizing another cell phone tower at [REDACTED].

On November 9, 2015, I was contacted by Detective Cisneros regarding a witness, [REDACTED] who had just spoken with Vega at her house in [REDACTED]. I spoke with [REDACTED] several times on November 9, 2015, and the early morning hours of November 10, 2015. [REDACTED] spoke with me in Spanish, using her friend to translate to me on speaker phone. [REDACTED] told me Vega had come to her house to talk to her.

She stated she walked with him down the street from her house. [REDACTED] told me Vega essentially admitted to shooting the two victims. [REDACTED] provided me with a clothing description for Vega saying he was wearing blue jeans and a gray zip-up hooded sweatshirt. [REDACTED] stated Vega didn't look like he had been sleeping outside.

[REDACTED] later called me back saying she didn't provide me with all of the information she had. [REDACTED] told me Vega came to her house in a green 1999 Chevrolet Malibu.

On November 11, 2015, at about 1700 hours, Detective Cisneros contacted me with new information regarding the vehicle Vega was most likely driving. The vehicle was identified as a green Oldsmobile Cutlass, CA [REDACTED]. A DOJ stop was placed on the vehicle. The vehicle was also placed in the Officer Notification System and was set up to send me text alerts if the vehicle was located.

Detective Cisneros told me Vega had called one of his friends and the owner of the vehicle he was driving. Detective Cisneros provided me with the phone number Vega called his friend from, [REDACTED]. I conducted a record check on the phone number and found it was a payphone. I contacted the phone company in Los Angeles who owns the payphone and was told the phone was located at [REDACTED].

Detective Cisneros told me Vega told the witness he would be dropping the vehicle off at [REDACTED] at some point on November 11, 2015. SIU Detectives responded to the area and conducted surveillance. Vega didn't show up at the location and didn't go back to the payphone.

On November 12, 2015, [REDACTED] located the vehicle Vega was supposed to be driving. [REDACTED] on [REDACTED]. SIU Detectives along with uniformed officers responded to the area. Vega was seen getting into the vehicle and driving away. Uniformed officers attempted to stop him and he fled in his vehicle. At one point during the pursuit Vega threw a gun from the vehicle. Vega eventually stopped at Van Dyke and Myrtle Streets.

I responded to the scene and remained for the entirety of the incident. I took up a position on the south side of Myrtle Street. At one point during the incident it appeared an arrest team was attempting to use a K9 to apprehend Vega. I saw Vega exit the driver's side of the vehicle. It appeared Vega saw additional officers approaching him on the driver's side of the vehicle and he quickly appeared to reach back into the vehicle. It appeared to me Vega was reaching for something in the vehicle as opposed to getting back into the vehicle.

At this point I heard one gunshot but was not aware of where the shot was fired from.

Cell phone records were copied to a CD and given to Detective Cisneros.

I am assigned to the Special Investigations Unit (SIU) and supervise a group of detectives. Our team is responsible for apprehending wanted fugitives, homicide suspects, investigating series related robberies, home invasions, bank robberies, carjacking investigations, extensive surveillances, kidnappings, sensitive and/or high profile cases as well as working special projects. The team's services are requested by a number of investigative units within the San Diego Police Department as well as outside agencies.

On November 8, 2015 at approximately 2130 hours, SIU detectives were called to respond to a homicide that had occurred in the area of [REDACTED]

We learned on November 8, 2015 at approximately 1959 hours, Felipe Vega killed his [REDACTED] [REDACTED] Vega shot both victims multiple times killing them both. The murder weapon used was a .380 handgun which was not recovered. During the homicide investigation, information was developed that Vega was last seen driving a 1998 green Oldsmobile Cutlass bearing a California license plate of [REDACTED]

On November 11, 2015 at approximately 1700 hours, SIU detectives developed new information regarding the vehicle Vega was most likely driving. Homicide Detective Cisneros told SIU Detective L. Johnson that Vega had called one of his friends [REDACTED] the owner of the listed vehicle. Vega told [REDACTED] he did not wish to purchase the Oldsmobile and wanted to return it to him. [REDACTED] stated to Detective Cisneros that he was scared of Vega and didn't want to meet with him. [REDACTED] told Vega the police had contacted him and it wouldn't be a good idea to come near his house. [REDACTED] asked Vega to leave his vehicle in the area of [REDACTED] [REDACTED] relayed this information to Detective Cisneros and SIU detectives conducted surveillance in the area of [REDACTED] [REDACTED] Vega, nor the vehicle, showed up at this location.

On November 12, 2015 at approximately 2100 hours, I located the homicide vehicle in the 1000 block of S. 43rd Street. The vehicle was parked facing southbound on the west curb line. SIU detectives responded to my location to assist with the surveillance along with uniformed GST officers. The vehicle was unoccupied when I first located it. Several minutes later as SIU detectives were arriving in the area I noticed a male approaching the passenger side of the vehicle. I was parked south of the homicide vehicle on the east side of the street looking northbound. The street was fairly busy with oncoming traffic

intermittently blocking my view of the vehicle with headlights from oncoming cars. When SIU Detective Castro arrived at the location, he saw the vehicle was occupied. At this point I noticed the male I saw on the passenger side of the vehicle was no longer there. I noticed the lights of the vehicle come on and the vehicle pulled away from the curb. The vehicle made an immediate u-turn and drove northbound in the 1000 block of S. 43rd Street. I broadcasted the direction of travel over the radio and GST officers attempted to stop the vehicle and a pursuit ensued. The pursuit went through side streets and several freeways. During the pursuit, Vega threw a handgun out of the passenger side window as he drove southbound I-805 on the off ramp of 43rd Street. The handgun was a .380 handgun which was recovered by officers.

The pursuit ended in the parking area behind [REDACTED] Van Dyke Street. Vega remained in the vehicle and would not listen to commands from the officers to exit the vehicle. Multiple attempts to speak to Vega were attempted but Vega would not respond to officers. A perimeter was set around the vehicle and numerous attempts were made to have Vega come out of the vehicle and surrender.

The Incident Commander at the scene decided to initiate the Emergency Negotiations Team (ENT) to attempt to have Vega surrender peacefully. Detectives from ENT responded and spoke to Vega for several hours, but Vega did not surrender and did not give any indication to surrender.

The Incident Commander developed a tactical plan to take Vega into custody. [REDACTED]

During this time, Vega partially opened the driver's side door to ventilate the vehicle but he remained in the vehicle.

[REDACTED] An arrest team of officers and a K-9 were in place to approach the vehicle from the driver's side to contact Vega and take him into custody. When Vega stepped out of the vehicle he saw the arrest team approaching him and attempted to get back into the vehicle. As Vega reached back toward the vehicle, a gunshot went off and Vega was struck. The gunshot came from an officer located on the passenger side of the vehicle.

The arrest team waited toward the rear of the vehicle until it was safe to approach Vega. Vega did not appear to be moving with his body sitting in the driver's seat with one foot on the ground. As the arrest team approached the vehicle to take custody of Vega he began to fight violently with the officers. Vega was taken into custody and transported to the hospital for a non-life threatening gunshot wound.

7 The following is a statement of Federal Bureau of Investigation (FBI) Special Agent Renee Green, as to the events that occurred on the night of November 12, 2015, and into the early morning hours of November 13, 2015, at [REDACTED] Van Dyke Avenue, San Diego, California. This statement does not include all of my observations; however, the observations described herein are true and accurate to the best of my knowledge and recollection at this writing.

On Thursday, November 12, 2015, at approximately 10:22 PM, the FBI Crisis Negotiation Team (CNT) was called to assist the San Diego Police Department (SDPD) Emergency Negotiation Team (ENT) with a murder suspect (later identified to me as Felipe deJesus Vega) who was barricaded in his vehicle at [REDACTED] Van Dyke Avenue, San Diego, California. I responded to that call and arrived in the area at approximately 10:55 PM. Upon my arrival at the scene, SDPD Negotiators had already been speaking with the subject both face-to-face and via telephone. SDPD Negotiator Rubio was acting as primary Negotiator and was negotiating with Vega in Spanish, with Negotiator Nestor acting as Secondary Negotiator. Shortly after my arrival, the rest of the ENT team was formally briefed on the ongoing situation.

Efforts to negotiate with Vega continued for more than an hour after my arrival, but Vega refused to get out of the vehicle stating that he was afraid he would be shot. When Vega's cellular phone lost power, Negotiators tried to persuade Vega to agree to a phone delivery; however, Vega would not lower the passenger side window to allow for a phone delivery and tactical teams could not approach safely from the driver's side of the vehicle. Throughout negotiations, Vega was moderately conversant with Negotiators but it did not appear that significant progress was being made toward surrender.

After over two hours of negotiations, Vega was becoming less vocal and did not appear to be progressing toward surrender. [REDACTED] [REDACTED]

[REDACTED] Vega closed the driver's door slightly further and remained in the driver's seat. Negotiator Rubio expressed to Vega that he needed to come out peacefully so that the tactical team would not have to come forward to get him. Vega did not respond or make any efforts to surrender. After some time, [REDACTED]

[REDACTED] Vega remained in the vehicle [REDACTED] Vega was instructed to get out of the vehicle with his hands up and visible, but he stayed in the vehicle. A K-9 unit was deployed during this process and Vega tried to shut the K-9's muzzle in the door, which kept the K-9 from getting into the vehicle. [REDACTED] Vega remained in the vehicle. Vega stuck his head out of the driver's door and said (in Spanish) that he wanted to talk some more. Negotiator Rubio told Vega (in Spanish) that the time for talking was over and that he needed to come out of the car with his hands up; Vega did not do so. A short time later, Vega suddenly stood up out of the car. Vega was wearing a hooded sweatshirt jacket, a hat, and baggy jeans, with the hood of the jacket pulled up over his head. Vega was moving his hands around his jacket and waistband, and officers commanded him to put his hands

up where they could see them. Vega ignored the commands, instead putting a hand inside the jacket and moving the other hand toward his waist. Nearby officers then fired more non-lethal rounds toward Vega and I heard a gunshot. Vega cried out and got back into the driver's seat of the car. Vega turned and sat with one leg out of the car and leaned against the door frame and driver's seat of the vehicle, then he stopped moving. After Vega was motionless for a period of time, officers approached him. When the officers reached Vega, he stood back up out of the car and started to rush at the officers. The K-9 was again deployed and the dog pushed Vega back into the vehicle. As Vega continued to struggle with the officers, he was removed from the vehicle and subdued on the ground next to the car by multiple officers. During the struggle, an officer who had been on the roof of the vehicle was dragged down to the ground. After Vega stopped struggling, and had been handcuffed and searched, medical personnel were called to assist him.

I departed the area at approximately 12:39 AM, on November 13, 2015.

SYNOPSIS:

On 11/08/15, [REDACTED] were shot and killed by an [REDACTED] at [REDACTED] was also shot at as she drove in her vehicle near the first shooting scene. A person of interest identified as, Felipe VEGA, was wanted for questioning in connection with these murders.

ORIGIN:

I am a San Diego Police Detective. I am currently assigned to the San Diego Police Departments Street Gang Unit. Part of my duties are to, but not limited to, monitor, arrest and document street gang members throughout the City of San Diego. I also respond to investigate felony crimes that various street gangs and street gang members are involved in.

On 11/12/15 at approximately 2115 hours, Detective Rowlett #6096 and I were in the area of Euclid Ave and Division St when we overheard a vehicle pursuit involving SDPD Gang Suppression Team Officers (IH #15110020346). We attempted to parallel the pursuit to the best of our abilities in an attempt to assist them in case there was a bail out from the vehicle and a subsequent foot pursuit.

During the pursuit comments were made by the Officers that the driver of the vehicle was Felipe VEGA, who was a person of interest in a double murder that occurred on 11/08/15 at [REDACTED]

The pursuit took the Officers through several parts of the city and subsequently ended in the area of 4300 Myrtle St where the suspect parked in the driveway of a small apartment building.

After the vehicle stopped several Officers were attempting to give the driver commands to come out of the vehicle but he refused. At one point during this incident Emergency Negotiators and SWAT personnel were called to assist. I was already at the scene and volunteered to assist however I could.

At approximately 2230 hours I was deployed inside the SWAT armored vehicle in an attempt to communicate with driver by PA System. The driver acknowledged me when I spoke in Spanish, but I was not able to hear him so I stepped out of the armored vehicle and went to a different position of cover in an attempt to communicate via bullhorn. The driver answered to the name of Felipe when I spoke with him. It was hard to hear Felipe so I asked if I could call him on his cell phone and he agreed. Felipe gave me the cell phone number of [REDACTED]

At approximately 2300 hours I called Felipe and he picked up the phone. I asked Felipe if he was hurt and if he was ready to come out of the vehicle yet. Felipe said the following in Spanish;

"I'm not hurt and I don't want to come out of the car yet. This is all a bad dream. I think this is a dream like the day I shot them it's a horrible dream."

I told Felipe I didn't want to talk about that night, but I wanted to get him out of the vehicle safely and he acknowledged. I asked Felipe if he had any weapons or guns in the vehicle and he refused to answer and only asked me why I was asking him that question.

Detective Rubio and I then switched off and assisted each other in an attempt to negotiate with Felipe. Negotiations lasted for a while until Felipe was subsequently forced from the vehicle after being shot.

I was relieved from the scene at approximately 0030 hours to attend to Peer Support needs for witness officers of this shooting incident.

I also respond to investigate felony crimes that various street gangs and street gang members are involved in.

On November 12, 2015, at approximately 2125 hours, while monitoring the police radio, I was aware of a police vehicle pursuit involving a subject wanted for a double homicide. The vehicle pursuit ended when the subject, Felipe Vega, stopped in the rear parking lot of the apartment complex located at [REDACTED] Van Dyke Avenue. The entrance to the rear parking lot of the apartment complex was located along the north curb line of 4200 Myrtle Avenue.

After Vega stopped in the parking lot, he refused to exit the vehicle. I heard several officers, for a long period of time, identify themselves as "San Diego" police officers and told him to come out of the vehicle with his hands in the air. Vega continued to refuse to comply.

I was standing near the south curb line of 4200 Myrtle Avenue (across the street from where Vega was located). After a long period of time, [REDACTED] Vega exited the driver side of the vehicle, and immediately got back into the driver side of the vehicle. [REDACTED] During that time, I heard a loud shot. It sounded like a rifle had been fired. Due to where I was standing, I was unable to see what Vega was doing inside or outside the vehicle. Vega was subsequently taken into custody.

I took up a position along the south curb line of 4200 Myrtle Ave behind officers who were covering VEGA as Emergency Negotiation Team members attempted to talk VEGA out of the vehicle. [REDACTED]

[REDACTED] I also heard one gunshot along with [REDACTED] From my position I was unable to determine who had fired a round from their weapon. A contact team moved up after the gunshot and the final [REDACTED] in an attempt to take VEGA into custody. A Canine was deployed in an attempt to subdue VEGA. From where I was standing I saw VEGA striking the Canine several times while the Canine bit him. Contact officers moved in as well and took VEGA into custody.

On 11/12/15, I heard over the radio the Gang Suppression Team was in a vehicle pursuit of a 187 PC suspect. The pursuit ended at 4200 Myrtle and the suspect remained in his car, refusing to come out. Detective Zaldivar #5516 and I arrived to assist.

I was standing across the street on the south curb of 4200 Myrtle when I saw the pepper ball team approach the suspect's vehicle. I could hear the pepper ball rounds being fired but could not see anything due to parked vehicles blocking my view. I then heard a single gunshot. I did not see where the shot came from or who fired the shot.

INVESTIGATOR'S REPORT**

DATE (occurrence): November 13, 2015 (Friday)
TIME (occurrence): 0019 Hours
LOCATION: [REDACTED] Van Dyke Street
SUBJECT: OIS/Special Investigations – SDPD Case #15-049147
Incident #15110020346
Officer: LUTH, Christopher, ID #6048
Suspect: VEGA, Felipe DeJesus, H/M (39) DOB: 02-05-76

SUBJECT INTERVIEWED: **Officer Samuel Euler #6242**
1401 Broadway,
San Diego, CA. 92101
[REDACTED]

WITNESS STATEMENT:

On Friday, November 13, 2015, at approximately 0045 hours, I was off duty and at my residence when I received a call from Homicide Team II Detective Sergeant Greg Flood #4873. Sergeant Flood directed me to respond to [REDACTED] Van Dyke Avenue to assist in the investigation of an Officer Involved Shooting (OIS). I arrived at [REDACTED] Van Dyke Avenue at approximately 0120 hours.

Members of Homicide Team II included; Sergeant Greg Flood, Detective Anna Yankovich #5526, Detective Jim Jones #5214, and Detective John Reif #5095 as well as Lieutenants Paul Rorrison #4305 and Mike Hastings #5170. Homicide Team II personnel were called out to investigate the Officer Involved Shooting of Felipe DeJesus Vega. Vega is a suspect in Homicide Team IV's Case [REDACTED] and [REDACTED] from November 8, 2015 at [REDACTED]

I joined up with members of Homicide Team II which also included; Crime Scene Specialist Ally Southerland #0929 and Criminalist David Cornacchia #8815.

At 0145 hours, Sergeants Art Swadener #5753 and Allan Butchart #5153 conducted a briefing on the incident. The briefing concluded at 0217 hours. Following the briefing Sergeant Flood directed me to respond to Headquarters (HQ) to assist with interviewing witness officers.

I first interviewed Officer Kyle Williams #6261, then I interviewed Officer Sam Euler #6242. These interviews were separate and audio recorded. I later downloaded Officers Williams and Euler's audio interview onto a CD and impounded it in the Headquarters property room under barcode 10554362. I made five (5) working copies of the interviews and turned them over to Detective Yankovich. During the interviews, both officers indicated their position on a Google maps print out of the scene. The original print outs were impounded in the Headquarters property room under barcode 10554365. I provided copies of the map print outs to Detective Yankovich.

Below is a synopsis portion of my interview with Officer Euler. For complete details of the interview, refer to the audio CD.

Statement of Officer Samuel Euler (Witness):

GD: Geoffrey DeCesari, Detective, SDPD Homicide Unit Team II (Relief)
SE: Samuel Euler, Officer – SDPD Gang Suppression Team

GD: It is November 13th, the time is 0359, I am in the San Diego PD HQ Cafeteria with Officer Sam Euler (#6242) this is Incident #15110020346. If you will start wherever you feel the incident begins.

SE: Ok, the easiest is the brief of the pursuit. We find out that Felipe Vega, who is the double homicide suspect, his car was located at 1100 South 43rd just south of Logan (Ave). We were asked to set up in the area to stop (Vega's vehicle) basically to get him into custody. He was supposed to be armed with a 380 handgun that was used in the homicides still outstanding. Turns out he is actually in the car not just that the car was located. Detectives see him pull away from the curb. He ends up making a u-turn after he goes southbound for a short distance and then makes an eastbound turn on Logan (Ave). (Officer) Kelvin (Lujan #5594) is driving the car, I was the passenger. He heads eastbound Logan (Ave). We made a u-turn on Logan (Ave) and get behind him. He goes north Dominion (St), eastbound T (St), southbound 44th (St) back to Logan (Ave). On Logan (Ave) we lit him up (activated emergency lights) because we had a couple of more units behind us at that point. ABLE was close to getting overhead. Once we lit him up he took off. Lights and sirens are going. Sparing the details of every turn in the pursuit, we ended up going through Shelltown area onto the I-5 and I-15, SR-94 over to Euclid (Ave) and then got back on to westbound SR-94, south I-805, ended up getting off back in Lincoln Park area. Back on northbound I-805 up to the I-15, taking I-15 up to El Cajon Blvd and exiting El Cajon Blvd. As he exited on to El Cajon Blvd a patrol unit attempted to throw some spikes which ended up catching one of our tires. We made it another block and a half. We were out of the pursuit at that point. The rest of the units took over. While we waited for a tow truck we listened on the radio and heard they had made it to [REDACTED] Van Dyke (Ave) to an apartment complex where he had pulled in to a carport and stopped. They were trying to do a "hot stop" and had a K-9 and everything. Once we got our tire changed we said let's go back and see if can't help or whatever. Plus, we started it we wanted to be there at the end of it too. So as we got back or got to the area of the scene we parked our car up on Van Dyke (Ave) and Dwight (St) and walked south cause we weren't actually sure exactly where it was. So noticed it was actually on the location on Myrtle (Ave), I don't know the address I'm not too familiar with it. We walked southbound on Van Dkye (Ave) using the map here. *(I provided Officer Euler with three Google Maps printout, labeled #'s 1-3. Officer Euler used the map labeled #1 to indicate his position throughout the incident.)* There are obviously several patrol cars throughout blocking all the areas. End up seeing (Vega's) car pulled into the carport. *As Officer Euler drew the position of the suspect's vehicle on the Google map printout he stated,* The suspect's car pulled into the carport. The bearcat was behind it nosed up to the bumper. Negotiators were just to the west with what looked like some lethal cover. There were several patrol cars in the street. One of the patrol cars that was in the street was just about directly south of the suspect I would say, best way to describe it. (The patrol car) was facing east-west. At that patrol car,

(Officer) Kyle Williams was standing in the opening of the driver's door. (Officers) Chris Luth and John Signorino (#6319) were next to him. All three of them had their rifles out pointed at the suspect vehicle.

During the pursuit, if I can go back, at one point when he had exited the freeway on 43rd St exit he had thrown what turned out to be a gun out of the car. It matched the description of what he was supposed to be armed with. But he'd made several statements of suicide and everything else. My thought process was that he probably had another gun with him. The way he was driving, things he was doing it was like he was trying to throw us off the whole time so my thinking was that he threw that one knowing it was the homicide weapon but that he had another or what have you with him.

I get to this point where they're all set up with their rifles at the car. Obviously, they've got rifles they're assuming he's armed too with probably a handgun or something else. Since there were three rifles, plenty of fire power and with those three guys shooting I'm very confident in their abilities that I didn't draw any gun of any kind. I just stood behind, just behind them, maybe 6 inches behind them and just kinda kept eyes on the car. I set myself up to do whatever I needed to help out. SWAT started making plans to do certain things. [REDACTED]

[REDACTED] The vehicle that Chris (Luth), Kyle (Williams), and John (Signorino) were behind had two spotlights pointed at the suspect vehicle. I was tasked with shutting those lights off as they moved up. So that was one of the collateral duties I did. So I got in the car and shut them off as they moved up and did what they did. Once they backed off I turned them back on and then I got back out of the car and stood back behind Chris (Luth) and Kyle (Williams). Basically positioned between Chris (Luth) and Kyle (Williams), essentially my left shoulder positioned directly behind Kyle (Williams') right shoulder and my right shoulder directly behind Chris (Luth's) left shoulder. [REDACTED]

[REDACTED] He seemed to be getting really agitated, moving a lot.

Going back again to the pursuit, after he threw the gun when we were back on the freeway he continued to dig around in the car. I put that out several times that he was continuing to dig to his right in the console area of the car. He was looking down in his lap and doing something in his lap. Like I said, even though he had thrown one gun we believed there was probably more in the car or at least he had one more maybe. And with his actions that is what we thought he was doing was either loading a gun or doing something with it.

Flashing back forward now as they're [REDACTED] he is starting to get kinda agitated, he's looking around in the car, kinda moving, suddenly pops the driver's door open and jumps out of the car. When he jumped out what I notice is that he had his hood

up, he jumped out and immediately looked at the [REDACTED] Then looked at the negotiation team and back at the [REDACTED] And as he looked he quickly reached his right hand down at his waist into like the area of sweatshirt pockets or his waist band pockets and started to what looked like or what I could see, digging. He was trying to pull something out based on the way he was moving. Like he had grabbed something and was trying to get it out. As I was standing there, I expected him to pull out a gun and I was waiting for it to come out. Like I said the three officers, Chris (Luth), Kyle (Williams), and John (Signorino) all had their rifles out so I was plenty confident in their ability to address the threat so I didn't have a gun out. As he's digging I said out loud, "He's digging, he's digging." I kept repeating it, "He's digging, he's really digging in his waist" and he kept looking back and forth at the two contact teams while digging in his waist and then went back into his car and sat down. Still moving around like he was digging that same motion. Looked over one shoulder and I was saying, "man he's still digging, he's still digging" and then he started to look left. And when he looked left I heard the shot go from Chris (Luth's) rifle. I knew it was Chris (Luth) because I could tell it came from in front of me as opposed to off to my right or left. I was more behind him than opposed to anyone else. I was so focused on the suspect in the car through the passenger window, which is a good clear window, that I actually saw the vapor trail of the round as it went through the window. And based on where I watched it enter I knew it had hit the suspect right in the torso somewhere because it was lined up dead on. And I immediately thought, "Damn, that was a good shot, well placed." Then I also thought, "I'm glad he shot, that was a good shoot, that guy was digging." Like I said, I kept waiting for him to come out with a gun and it was like he couldn't get it out, it was stuck or whatever. The way he was digging, there is only one reason you're gonna dig like that with all the cops around with everything that has been going on. Once the round went off and hit, I saw the suspect's foot fall kinda out of the driver's side and just kinda hit the ground and be stationary. He didn't move. I thought he had been killed at that point. I thought he was dead. We waited to put anything out because of everything going on because of all the noises and the car alarms and everything else going off. Everybody was trying to figure out what was going on. At that point, once it kinda calmed down a minutes, I put out on the radio that there was a shot fired from a rifle and I was trying to avoid using Chris (Luth's) name cause I did not want to be putting that out with all the media there and everything else going on. So I just said it was a shot from a rifle from the eastside. Then at that point, the contact team moved forward to try and make contact with the suspect with a K-9. I think K-9 latched on and I watched as the suspect came alive and just started pummeling the K-9. A bunch of officers then went in and were eventually able to take him into custody from what I could tell. It was pretty much it at that point. Just walked Chris (Luth) out to a car and he put his rifle into his car. Kelvin (Lujan) took him away in our car. And I rode with Officer Keelan McCullough (#6698) to HQ with Chris (Luth's) rifle just for evidentiary purposes and chain of custody.

GD: Prior to the round going off, did you hear either Chris (Luth) or Kyle (Williams) say anything?

SE: Because I was so focused on the car and I was just listening to myself yelling and I could hear the [REDACTED] yelling at him. Also the contact team yelling at him there was a lot of sound. I didn't specifically hear them say anything.

GD: Do you have a body worn camera?

SE: I do.

GD: And was it on during the shooting?

SE: No it was not.

GD: Is there anything else we have not talked about, anything that you want to make sure that you have a chance to say that is recorded?

SE: Nah, my first thought was, "Wow, that was a good shoot, I'm glad that he did." I think it's important that gets on record.

GD: What is it about that you are glad that he did it?

SE: Because of the safety for everybody. Because of the suspect's actions. Because of what he was doing. I believe it was a matter of time before he got out the weapon he was trying to get out and possibly hurt somebody. Possibly shot either one of us or maybe a citizen down the street you know who knows. By Chris (Luth) taking the action that he took he prevented any further injuries to any officers or any civilians.

End of interview: 0412 Hours.

At approximately 0320 hours I talked to Detective Michael Rubio in the cafeteria at HQ and took his statement. I showed Detective Rubio two photographs, an arial view and a ground view, of [REDACTED] Van Dyke to assist with the interview. The interview was digitally recorded. I later copied the recording to six CD's. I impounded one CD at HQ, Barcode # 10553317. I gave the other five CD's to Detective Yankovich.

Statement of Detective Michael Rubio: (Witness)

Detective Michael Rubio told me essentially the following:

I'm on ENT Team 1 (Emergency Negotiating Team) and am on call this month. I got a text message at approx 1023 hours advising me of a barricaded suspect at [REDACTED] Van Dyke Avenue. I was working surveillance earlier and was listening to a vehicle pursuit on this subject who was wanted on a 187.

I arrived at the location at 1045 hours and met up with (Detective) Nester Hernandez who was attempting to contact the suspect by cell phone. He was successful and began a dialog with the subject and I was his second just to assist him. Hernandez managed to get his cell phone number. All the dialog was being done in Spanish. After approximately ten minutes of talking to him on the phone, the suspect dropped off and he said the phone battery was low. Once the phone call was disconnected I relieved Hernandez. I began to communicate with him, out loud, without a bull horn in Spanish. I was in front of the residence next door [REDACTED] There were several officers there with me. Some had lethal and some had non-lethal. I talked to him for over an hour or an hour and fifteen minutes. I advised him of the procedures if he was compliant and if he was not compliant. He kept requesting a phone. We were going to attempt to get him a cell phone but he would only lower the window partially. He seemed to be manipulative. He didn't seem to have any intentions of coming out on his own. I tried to get him to open the door but he was non-responsive and kept asking for the phone.

After an hour and a half or so, I told him that if he was not responsive that there was a possibility that we would go and retrieve him from the vehicle. He was still non-responsive. I was advised from Sergeant Marc Pitucci that they were going to go tactical at which time I stopped communicating with him. [REDACTED] and he was non-responsive. [REDACTED] He was non-responsive on the [REDACTED] Finally, in the [REDACTED] he jumped out of the driver's side door and stood there. He then attempted to go back into the vehicle and he was flailing his arms. Initially he turned with his chest toward us (westbound) and then he turned back toward the vehicle. It appeared to me that his arm went toward his front. Whether he was reaching for something or whether his arms were just flailing... At that point I heard a shot. I heard him yell and he fell back into the vehicle, the driver's seat, with one leg partially out of the vehicle and his head looked slumped over. After several minutes he didn't move and I thought he was 11-44 (deceased). I saw the team and the K-9 walk up to him giving him verbal commands. As they got closer he appeared to, I don't know if he reached to grab him, I was kind of blocked from seeing the front officers, it looked like he jumped up and which time they grabbed him and took him to the ground. He did look like he was resisting while they were trying to get him into handcuffs until they finally got control of him.

I asked Detective Rubio if he saw the officer who shot and he said, "No".

I asked Detective Rubio how many shots he heard and he said, "One".

Investigator's Report

Witness: Detective Michael Rubio

Case #15-049147

Page 3

Detective Rubio told me that he was behind the wall of the residence next door [REDACTED] and that the suspect vehicle was in the driveway of [REDACTED] Van Dyke Avenue, which is on 4200 Myrtle Avenue. Detective Rubio told me that the suspect vehicle was blocked in the driveway by the SWAT Bobcat vehicle which was behind the suspect vehicle and up against its bumper.

I asked Detective Rubio if the suspect was making any statements to him while he was negotiating with him. Detective Rubio said;

No. He kept continuing to ask us for the phone and then he requested to speak to Hernandez again. I told him that the only way for him to speak to Hernandez again was when he came out. I advised him over and over and over the possibility of other lethal actions that they were going to take if he didn't respond voluntarily to come out on his own.

I asked Detective Rubio if K-9 was used except at the end when officers walked up and handcuffed the suspect. Detective Rubio said;

Actually when they [REDACTED] [REDACTED] he kind of opened the door. With the [REDACTED] he opened the door partially, a couple of inches or a foot or so. At that point they thought they had enough so the arrest team moved up a little bit and they released the dog. But when the dog got to the door he slammed the door on the dogs head. The dog managed to wiggle out and run off and the handler was able to retrieve his dog. So an attempt for the K-9 to get to him was made but it was unsuccessful because he was able to close the door. At that point he kept the door shut and then the [REDACTED] came and then the [REDACTED] after a short time.

The front end of the car was facing east and the suspect was turned trying to get back into the car when he was shot. He was flailing his arms and it appeared that when he was flailing his arms he went towards the front. I could see that.

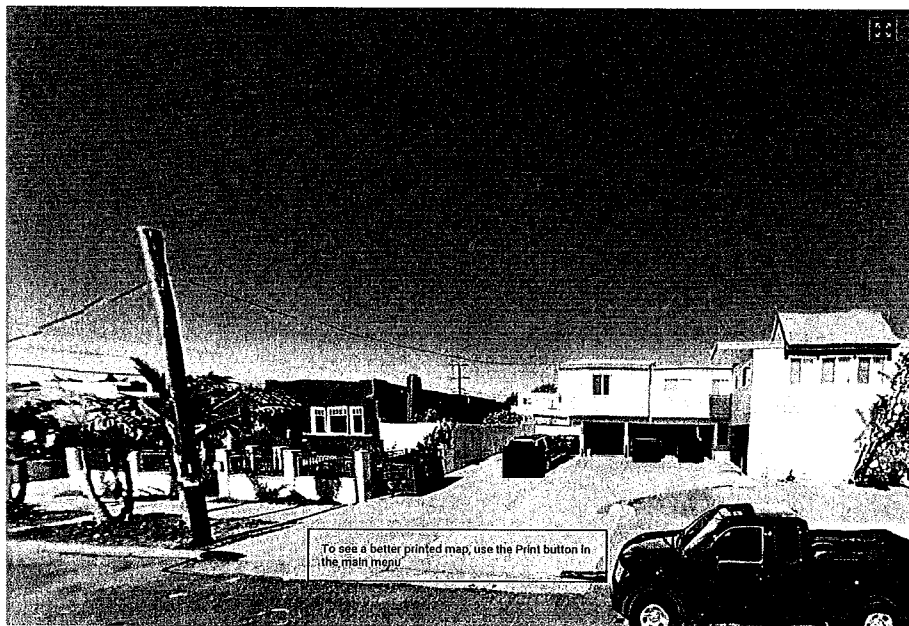

I asked Detective Rubio if Vega said anything at that time. Detective Rubio said;

No, not at that time. I think he let out a yell. Actually when he got shot he let out a yell.

I stated to Detective Rubio that at this point none of the officers had physically confronted Vega before the shooting. Detective Rubio said; "No".

Detective Rubio stated that they gave Vega ample opportunity and clear instructions. He said they walked him step by step through all of the possibilities and explained all of the procedures as far as less than lethal and he was not responsive towards any of those. Detective Rubio stated that he did not see the officer who shot or where he was standing at the time of the shooting.

The interview concluded at 0332 hours.

[REDACTED]

WITNESS STATEMENT:

On November 13, 2015, at 0040 hours, I was at home when I received a phone call from Detective Sergeant Greg Flood # 4873 concerning an OIS (Officer Involved Shooting) at [REDACTED] Van Dyke Avenue. Detective Sergeant Flood directed me to respond to that location to assist with the Officer Involved Shooting investigation.

I arrived at [REDACTED] Van Dyke Avenue at approximately 0120 hours and met with members of Homicide Team II including Detective Sergeant Greg Flood, Detective Jim Jones # 5214, Detective Anna Yankovich # 5526, Detective Geoffrey Decesari # 6026 (relief detective) and Lieutenant Mike Hastings # 5170. Crime Scene Specialist Ally Southerland # 8841 and Criminalist David Cornacchia # 8815 also responded to the scene.

At approximately 0145 hours Sergeant Art Swadener # 5753 conducted a briefing of the incident. At the conclusion of the briefing Detective Sergeant Flood directed me to Headquarters to interview detectives and officers who witnessed the incident. I went to HQ and contacted Detective Michael Rubio # 4906 and Officer John Signorino # 6319.

At approximately 0340 hours I talked to Officer John Signorino in the cafeteria at HQ and took his statement. I showed Officer Signorino two photographs, an Arial view and a ground view, of [REDACTED] Van Dyke to assist with the interview. The interview was digitally recorded. I later copied the recording to six CD's. I impounded one CD at HQ, Barcode # 10553317. I gave the other five CD's to Detective Yankovich.

Statement of Officer John Signorino: (Witness)

Officer John Signorino told me essentially the following:

Investigator's Report

Witness: Officer John Signorino

Case #15-049147

Page 2

I was at the substation (Southeastern Division) typing up my trainee's bi-weekly eval when they came over the air and said GST was in a pursuit and it was a homicide suspect. We all immediately knew who it was. I grabbed my trainee (Officer Fawsi Murra # 7354) and said let's go and we started heading in that direction. Right around the time Sergeant Swadener said only GST units in the pursuit we dropped it. They went up into Mid-City and I figured he's been kind of circling around so I went between the border of Southeast and Mid-City and just hang out. We went up 47th Street which turns into Fairmount and we just sat there at Home Avenue for a second and that's when the pursuit terminated in this apartment complex (pointing to ground level photo of [REDACTED] Van Dyke Avenue).

They said he wasn't being compliant and being on SWAT and a sniper I figured if they were going to treat this like a barricaded subject, especially with a high powered optic and my training and experience (SWAT sniper) I could be of value there. We were a couple of minutes away so we drove over there and I grabbed my AR. I went right there (pointing to a red pickup truck in the ground level photo). There was a gun metal gray Dodge Charger, four door version there. It was set a little bit back (from the red truck). Some GST units were already set up there so I came up to Chris (Luth) and told him I was there with my long gun.

The suspect vehicle was parked right here (pointing to a red pole next to the south wall of [REDACTED] Van Dyke). The right front bumper was right up to the terminus of the wall (south wall). The car was not blocked in at that time. They eventually bring up a patrol car (GST vehicle 6919 with a slick top) and we fell back to that position. [REDACTED]

[REDACTED] At the time of the shooting Kyle (Williams) was in the crotch of the doorway getting heat and Chris (Luth) was right there next to him in the doorway and I was offset a little bit by the 10-16 door (rear door). Kyle was looking over the windshield/roof of the car. Chris was looking over the roof of the car and I was looking over the roof of the car. We did have officers that were over the hood.

They had made the decision that they were going to put another [REDACTED] in there so the [REDACTED] and I don't know if the suspect heard them or saw them or what it was but I see him turn and he pops right up out of the seat. That was the first time I had seen him really do anything animated. He had been looking around and reaching around the car but that was the first time he had popped up. He starts to move in a westward direction, actually toward the Bearcat. I don't know if the team that was over by this wall (wall between [REDACTED] and [REDACTED] Van Dyke Avenue) was starting to give him commands or if he was caught off guard by them but he immediately started to back track. He is blading himself away and for the life of me I can't remember which hand it was, I want to say it was his right hand but I'm not one hundred percent sure, but it was going right towards his waistband. I'm thinking, he's got a gun. I'm thinking this dude's got a gun. I was off safe and at this point I'm tracking him with my red dot. I don't know if it was the sniper in me or what but I'm thinking, should I lead him or should I hold dead center because I'm thinking at any moment the guns going to come out and he's got Jedi (Officer Justin Tennebaum # 6320) up in the turret and he's got all of the other react element over here to the west.

Basically I'm tracking him and tracking him. Right as he gets back to the driver's side door of the vehicle I'm thinking here comes the gun, it's going to be coming out because he's locked on and looking at them (the react element). His hand was right there at his waistband and I'm thinking this dude got a gun, he's going to do something, he's going to try and shoot. He's either going to try and shoot those officers or try and shoot Jedi who was only ten yards away from him. Even in a turret you're still fully exposed. You're not really armored in that turret from the twelve o'clock position at least.

Then he starts to drop down and that's when Chris (Luth) shot and the glass (front passenger window of the suspect vehicle) just spider webbed. The front one, pow, it hits that, spider webs the glass and I lost any shot. All I could see at that point was his foot resting on the ground from underneath the vehicle and it wasn't moving anymore. It was one shot. I remember when he was going back to the car I'm thinking is he going for a gun in his waistband or is he going back to the car to get a gun because the whole time we had been sitting there, and even when I was listening to the pursuit, I could hear the GST guys going, hey he's looking around the car, he's looking in the passenger seat, he's looking in his lap, he's looking on the floorboard. He was doing the exact same stuff with us as he was sitting there. He'd look back behind him and a couple of time he'd reach back there. Something definitely had his attention in the passenger side or seat and in his lap. I was like he's either got the gun in his waistband or he's going back for the gun. I was getting ready to shoot him right when Chris shot because I wasn't going to let him get to a position of cover because I know enough based on my training and experience that I didn't want him to get into a position of solid cover and engage the officers. Chris shot first and took my shot away.

I asked Officer Signorino if Vega said anything as he got out of the vehicle. Officer Signorino said;

I didn't hear him say anything.

I asked Officer Signorino how far Vega went in the driveway before he turned around. Officer Signorino said;

Towards the end of the passenger compartment. I never saw his body clear over the trunk of that vehicle. Five feet, seven feet maybe.

I asked Officer Signorino if he knew what made Vega turn back around and go back into the vehicle. Officer Signorino said;

That I don't know. It could have been the other element here (in the driveway next to the west wall separating [REDACTED] Van Dyke and [REDACTED] It could have been Jeddi giving him commands. It could have been the dog, I don't know. Maybe he just realized, I'm safer in the car. I have no idea what got him out or what drew him back to the car other than I thought he was going, I really thought he was going to try and get a weapon from the vehicle or try and get to a position of cover and get the weapon from his waistband. To answer your initial question of what drove him from the vehicle, I honestly

don't remember if it was [REDACTED]
[REDACTED]

I asked Officer Signorino if he was assigned a Body Worn Camera. Officer Signorino said;

Yes

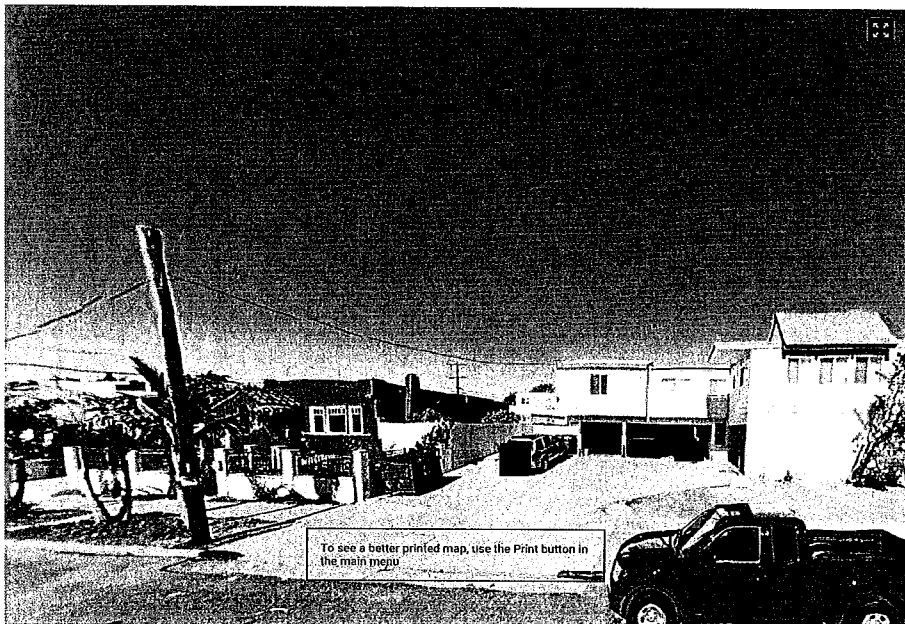

I asked Officer Signorino if his Body Worn Camera was on. Officer Signorino said;

It was on for the initial portion. Once it went to a Swat incident, once it went to a PRT assist, for tactical stuff like that we don't wear our body camera on because any Swat incident we don't wear body cameras.

I asked Officer Signorino if he heard any officers giving Vega commands during the incident. Officer Signorino said;

I don't know. I'm fairly certain the guys on the west side, the react element were definitely giving him commands. What they were saying I don't know. I was just watching his hands and waiting for him to pull that gun out.

The interview concluded at 0353 hours.

WITNESS STATEMENT:

On Friday, November 13, 2015, at approximately 0045 hours, I was off duty and at my residence when I received a call from Homicide Team II Detective Sergeant Greg Flood #4873. Sgt. Flood directed me to respond to [REDACTED] Van Dyke Avenue to assist in the investigation of an Officer Involved Shooting (OIS). I arrived at [REDACTED] Van Dyke Avenue at approximately 0120 hours.

Members of Homicide Team II included; Sergeant Greg Flood, Detective Anna Yankovich #5526, Detective Jim Jones #5214, and Detective John Reif #5095 as well as Lieutenants Paul Rorrison #4305 and Mike Hastings #5170. Homicide Team II personnel were called out to investigate the Officer Involved Shooting of Felipe DeJesus Vega. Vega is a suspect in Homicide Team IV Case #15-048705 and #15-048706 from November 8, 2015 at [REDACTED]

I joined up with members of Homicide Team II which also included; Crime Scene Specialist Ally Southerland #0929 and Criminalist David Cornacchia #8815.

At 0145 hours, Sergeants Art Swadener #5753 and Allan Butchart #5153 conducted a briefing on the incident. The briefing concluded at 0217 hours. Following the briefing Sgt. Flood directed me to respond to Headquarters to assist with interviewing witness officers.

I first interviewed Officer Kyle Williams #6261. I then interviewed Officer Sam Euler #6242. These interviews were separate and audio recorded. I later downloaded Officers Williams and Euler's audio interview onto a CD and impounded it in the Headquarters property room under barcode 10554362. I made five (5) working copies of the interviews and turned them over to Detective Yankovich. During the interviews, both officers indicated their position on a Google maps print out of the scene. The original print outs were impounded in the Headquarters property room under barcode 10554365. I provided copies of the map print outs to Detective Yankovich.

Below is a synopsis portion of my interview with Officer Williams. For complete details of the interview, refer to the audio CD.

Statement of Officer Kyle Williams (Witness):

GD: Geoffrey DeCesari, Detective, SDPD Homicide Unit Team II (Relief)

KW: Kyle Williams, Officer – SDPD Gang Suppression Team

GD: November 13th, about 0330 in the morning, this Incident #15110020346. Officer Kyle Williams ID #6261. We are in the San Diego PD HQ Cafeteria. Kyle, go ahead and start wherever you feel the incident begins.

KW: Ok, about somewhere around 9 o'clock (2100 Hours) we get informed that a double homicide suspect is probably sitting inside of his car around a vigil where the murders happened. So we go into the area. We, I know there are others units that set up pretty much a perimeter just in case he did take off. A detective went driving by and saw the suspect. The guy got inside, turned on the car and started taking off. I saw the suspect vehicle go eastbound on 4300 Logan (Ave). I turned to get behind the vehicle. I know Officer Sam Euler (#6242) and Kelvin Lujan (#5594) and I think another police vehicle was in front of us. From that point on a pursuit started and we started driving throughout the city, on and off the freeways throughout city streets. The vehicle pursuit probably lasted about 20-30 minutes. The pursuit ended on Dwight (Ave) he just pulls in a little complex. I pull my vehicle pretty much right in and get out of my car. And then pretty much start pointing my gun at the car. I see the guy moving around, reaching in-between the seats, underneath the seats. He was just moving around, not complying. The doors closed, windows all the way up. Not complying whatsoever. I know commands started. A lot more units started showing up. I know, I think, I believe a "PRT Assist" was called. I know the SWAT team started and I know they were doing negotiations. [REDACTED]

[REDACTED] I know K9 was there. They tried to send the police dog inside the suspect's vehicle. That still did not work. They did a couple more rounds of [REDACTED] inside the vehicle. After the last [REDACTED] I know officers started walking up to the car and trying to [REDACTED]

[REDACTED] As soon as they started doing that I noticed him starting to get out of the car. On (the suspect's) back right side he started reaching around like he was grabbing a gun. I started raising up my rifle. I took off the safety because I believed he was going to shoot the officers who were probably within 10 feet of his vehicle. That's when I heard Officer Luth fire his weapon, shattered the front right passenger window. It was no longer a threat, it kinda changed for me. Because after he fired the round, the suspect stopped moving. He wasn't, I was waiting for him to return fire or see what was going to happen again cause I was getting ready to shoot him.

GD: When you say "we," who was in the car with you?

KW: Officer Nick Troncale (#6619)

GD: What did the suspect vehicle look like?

KW: It was a green Oldsmobile Cutlass, I believe it is a 1998 and it had faded paint on the hood.

GD: Talk about some of the stuff going on during the pursuit. First, what was your position in the pursuit?

KW: I believe I was about the 4th or 5th car back

GD: And you guys already knew he was wanted?

KW: I knew he was wanted. I knew he was supposedly armed and dangerous. He was armed with a 380 handgun plus he committed a double homicide.

GD: How fast was he driving during the pursuit?

KW: Top speed, maybe 90 miles per hour on the freeway.

(I showed Officer Williams the three Google maps printouts and labeled the print outs #'s 1 – 3).

GD: Looking at (print outs) #'s 2 and 3, this is the address of the incident. In #2 the building is white; in #3 the building is blue. On which side of the building did the incident take place on?

KW: #2

GD: Looking at #2, using my pen, draw in where the suspect's car was and where you were at.

KW: *Officer Williams drew a square and labeled the square "suspect" and drew an "X" in the bottom right to indicate his approximate position.*

GD: [REDACTED]

KW: I know they had an officer over here *(Officer Williams drew a circle near a dumpster to the west of the suspect's vehicle).* [REDACTED]

[REDACTED] And then there were other times they had the bearcat (armored vehicle) pretty much on the bumper of the suspect vehicle.

GD: What were some of the commands you could hear being given to the suspect?

KW: I remember kinda "Give up," "Come out of the car," "Put your hands up." Those are some of the things I remember.

GD: Did the suspect ever say anything back?

KW: No

GD: Were you guys part of the arrest team, contact team, what was your role leading up to the shots being fired?

KW: I guess it would be more of a perimeter location. Cause we could see from my point of view into the passenger windows and I could see the driver. So I could see that whole entire car. It was me, Chris Luth, and (Officer) John Signorino (#6319). We were all positioned at my car looking into the suspect vehicle.

GD: How was it that he comes towards you guys or do you guys approach him?

KW: We just stayed at the car. We all had our AR-15's out, pointed at the car except for when the contact team would come up we would put the gun at a low ready.

GD: How far back is your car from the suspect's car?
KW: 20-30 feet, cause I know you've got the sidewalk, parked car and I know my car was next to the parked cars.

GD: Did (the suspect) fight with the officers at all?
KW: I couldn't see because I know got, yea he fought with them because when he got out of the car after he got shot I know he was fighting with them over there from what I could see. I know there was definitely a scuffle going on.

GD: When the shot was fired, you guys were still back at your car?
KW: Yes.

GD: Were you at the driver's door or the passenger door?
KW: Driver's door

GD: Where was (Officer) Luth?
KW: Touching my right elbow at the driver's door as well.

GD: Are you looking through a window of the (suspect's) car?
KW: Yea, from our view we are looking through the front right passenger window and right rear passenger window. So we could see into the vehicle from where we were.

GD: Where does the suspect reach, you said earlier the suspect had reached to the side.
KW: With his right hand, he was lifting up his jacket and his shirt. He was going into his hip to his right rear side. Like lifting up his hand like he was pulling out a gun.

GD: Did you think there was a gun?
KW: I believed he was still armed.

GD: Did you yell anything prior to the shot being fired?
KW: Yea, I, to Chris Luth, I told him, "I see him reaching, I see him reaching in his waist band." That's when I started raising up my rifle to take off the safety to engage the suspect because there was still officers I believe he was going to shoot at those officers.

GD: After the shot is fired, what did the suspect do again?
KW: After the shot was fired, the suspect just kinda stayed in the driver's seat. Underneath the car I could see one of his feet kinda hanging outside the car.

GD: When he was shot, he was shot inside the vehicle?
KW: Yea because he was reaching into his waistband, his head was pointed towards the hood of his car so that would be to the east and he was kinda like looking like he was trying to spin around. That's when Officer Luth fired his round and (the suspect) just stayed in his car.

GD: Spin around towards the passenger seat or towards the open door?
KW: It was more like, he was facing east, reaching into his waist band and he was turning to the southbound almost facing us. To me, I thought he was going to turn completely around, pull out a gun, and fire at the officers.

GD: His car is up into the car port?
KW: His car is facing east. The front part of his hood is in the car port. Most of his car is hanging outside. We could definitely see in through his front right and right rear passenger windows.

GD: From the driver's seat, his head is facing east. You thought, was he going to turn to the left or to the right?
KW: I believe he was turning left to look at those officers or towards us but I know they were more of a threat to him and I thought he was going to engage them with a hand gun or any other firearm that he had.

GD: During the incident, were you wearing a body worn camera?
KW: Yes

GD: Was it on during the shooting?
KW: No

GD: Is there anything else that we have not covered? Anything that you feel is pertinent to the incident that I have missed that you want to make sure you say?
KW: I do remember that during the brief with Sergeant Pitucci's (#4304) team, we were informed that (the suspect) was suicidal. He was suicidal from a brief we received.

End of interview: 0346 Hours.
